Broader horizons, new experiences
an innovation to learning
like the Renaissance man
FSU expanded its environment

CARLTON

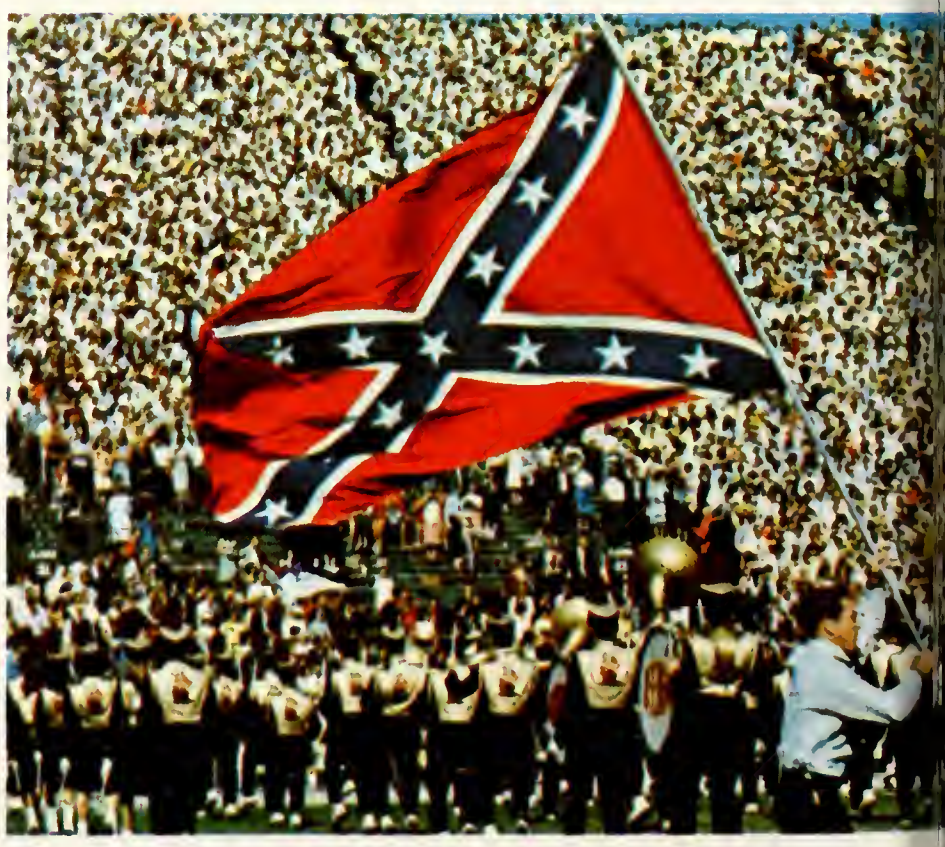
The Duomo of Florence, the Ponte Vecchio
a bullfight, an afternoon siesta
Shinto shrines in the Far East
an eye-widening movement
from the static to the dynamic

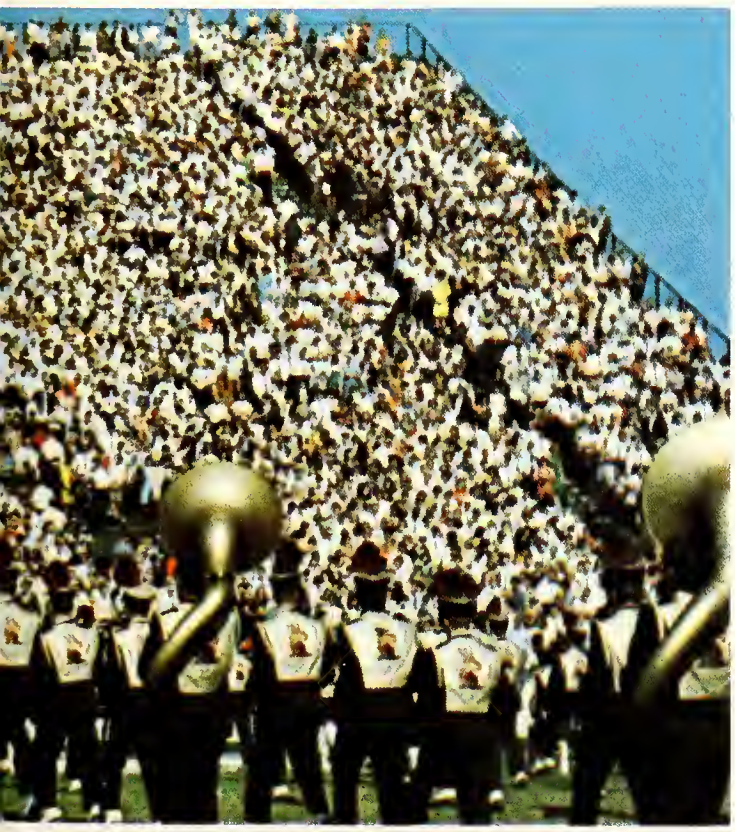
The world—our campus
the galaxie—our goal
the once ingenuous American student
now involved with the world

FSU was awakened
it sparked with excitement
Gothic towers lost their serenity
everything gained momentum

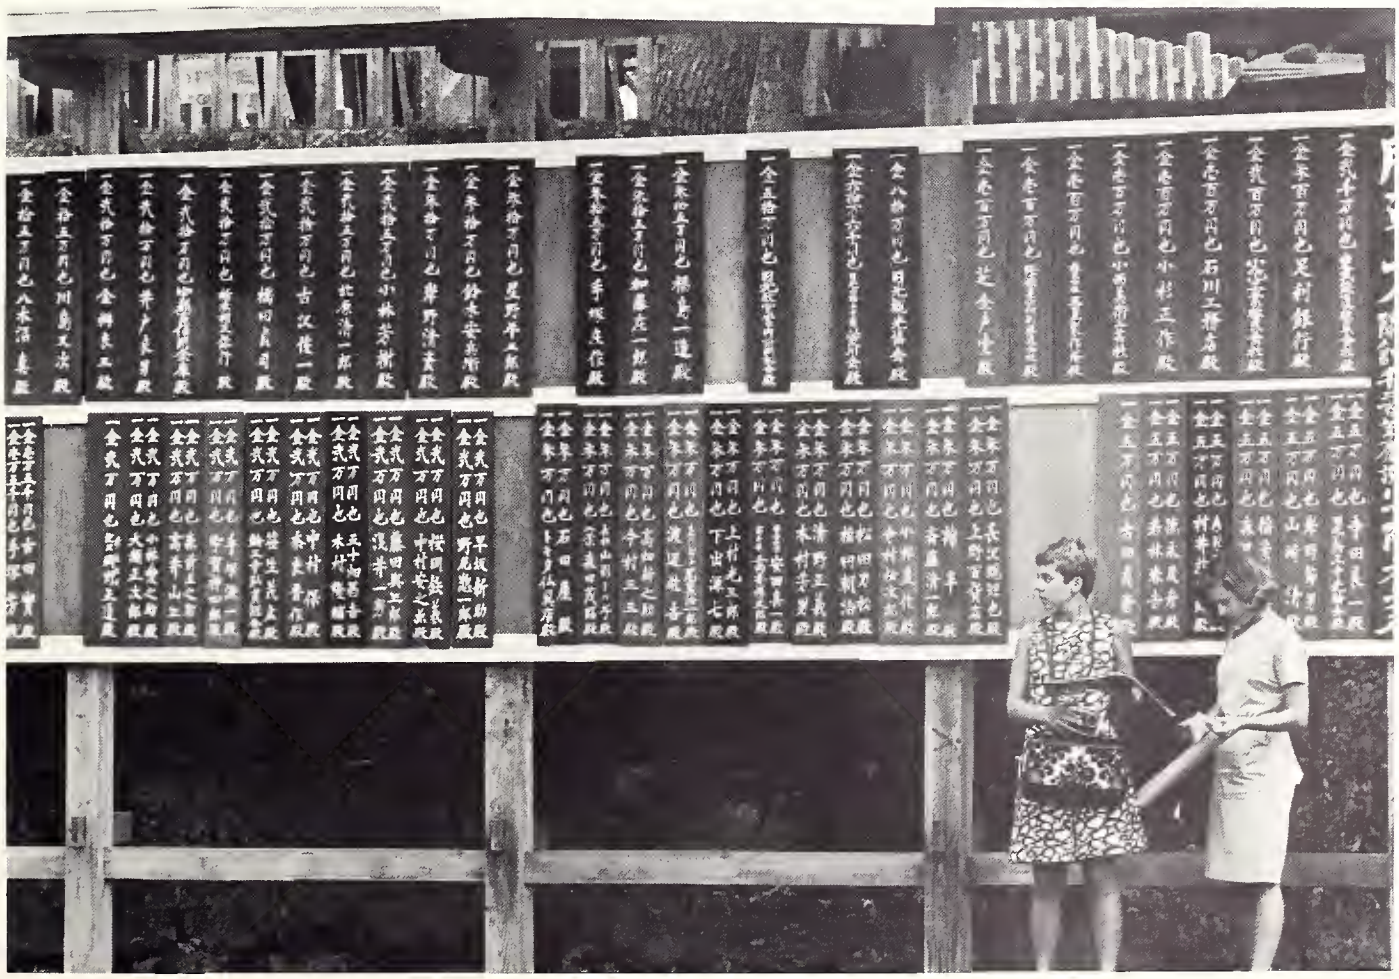
An education—our telos
how attained?
by exposure,
an introduction to ideas
nothing stale—always new

A hum from within
a spark like lightning
it catches and spreads
and eventually engulfs





A few went to explore
they brought it back
perhaps they were the catalysts
it did not die—instead, it thrived



The best environment
a readiness to accept
an open mind–
these were there
and so it grew

BILL PETERSON
Head Football Coach

In Dedication

Agricultural Commissioner Doyle Conner presents Coach Pete the Governor's Cup, awarded annually to the winner of the FSU–Florida Game.

Decisive moments, a final choice, and a Florida State victory could all have been used to describe one of the many hair-raising experiences that occurred during the past seven football seasons. However, this decision held a more important bearing than any one game or any one season. Coach Bill Peterson was offered a position with the San Francisco 49er's and the FSU football fans held their breath. The tide turned in our favor, and Coach Pete was going to stay. Bill Peterson came to the Seminoles in 1960 and since then things have looked up. From mediocrity to national ranking and two All-Americans in one year, Florida State football has risen to rank as the most exciting team in the nation. Peterson started with no money and no backing in the state; now recruiting is done nation-wide. Alumni, fans, faculty and students have realized that the Tribe has come of age because there is a man who has dedicated his life to a cause. The 1968 TALLY HO salutes Bill Peterson.

DR. VERNON B. FOX
School of Social Welfare

Singlehandedly suppressing a riot at the Michigan State Prison, Dr. Vernon B. Fox gained national attention for his work in criminology and corrections. His account of the Michigan incident was published in a book, VIOLETS BEHIND BARS. Dr. Fox was awarded a grant of $300,000 by the Ford Foundation to establish the Southeastern Correctional and Criminological Research Center. Coming to FSU in 1952, he organized the Department of Criminology, was advisor to the local chapter of Delta Tau Kappa, the National Social Science Honor Society, and was a member of the National Law Enforcement Society, Lambda Alpha Epsilon.

Dr. Victor R. B. Oelschläger, chairman of the Department of Modern Languages, came to FSU in 1953 as head of the department. A scholar of international reputation, he attracted students of Cervantes and medieval Spanish literature from throughout the United States and Europe. Among his outstanding publications were POEMA DEL CID IN VERSE AND PROSE, a translation of King Alfonso's ESTORIA GENERAL, and QUIXOTESENCE, helpful works to the student of Spanish literature. At FSU, Dr. Oelschläger organized a new doctoral program in French and a German master's program. He also served as advisor to the Foreign Study Program.

MADAME ELENA NIKOLAIDI
School of Music

World renowned for her operatic performance, Elena Nikolaidi sang with the leading houses of the world including the Metropolitan and the Vienna Stage Opera where she was awarded the title of "Kammersangerin" for superior artistry from the Austrian government. As a concert artist she appeared in Europe, Australia, Canada, South America, and the United States. Other honors awarded to Miss Nikolaidi included the Golden Cross of Phoenix and the Taxiarchis from King Paul of Greece. Teaching at FSU for eight years, she remained active in concert work under the Columbia Artist's Management.

Born in Wales, John Anthony Llewellyn came to FSU as a research associate to the Chemistry Department in 1960. Dr. Llewellyn's teaching and laboratory research were concerned with the engineering aspects of space flight and the astronautics program. He hopes to further this study with first-hand experience since chosen a member of the "Heaven to Earth" space exploration team. Dr. Llewellyn left Tallahassee to begin training in the astronaut program in the fall. He became interested in space through his research at FSU studying the effects of nuclear radiation on gases and the chemistry of the upper atmosphere of planets.

DEAN MASON LADD
College of Law

Dean of the newest school at FSU, the School of Law, Mason Ladd was the winner of many awards including the Annual Award of Merit by the Iowa State Bar Association and membership on the Executive Committee of the Association of American Law Schools. Dean Ladd was also a member of the committee of the American Law Institute which drafted the Model Code of Evidence. Here at FSU, his areas of concentration were evidence and jurisprudence. The author of several books and articles, Dean Ladd contributed to various legal periodicals.

Dr. Julia Schwartz was honored by the National Gallery of Art with a medal presented to her by Mrs. Lyndon B. Johnson for distinguished work and service in art education. Serving on a committee for Princeton University, Dr. Schwartz recently helped develop a test for measuring art abilities in students and pre-school-aged children. Consultant to the Florida Department of Education and member of the Board of Directors of the National Art Education Association were among the positions held by Dr. Schwartz since coming to FSU in 1947.

DR. JULIA SCHWARTZ

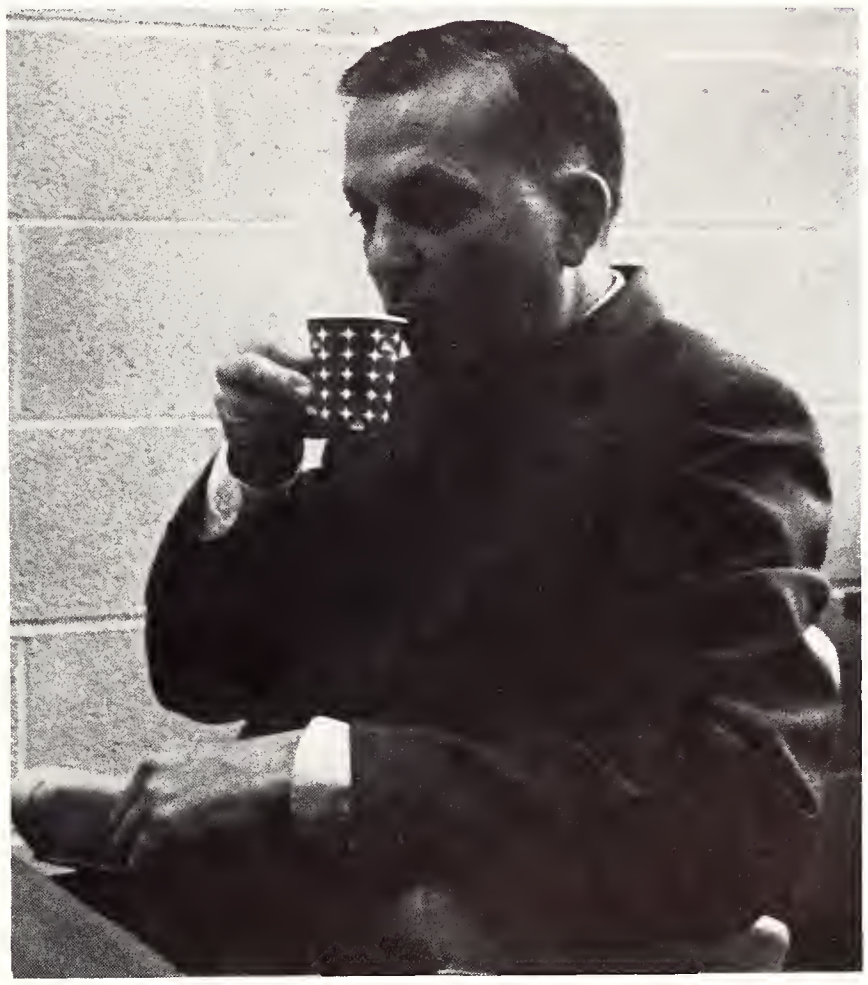
DR. HALE G. SMITH
College of Arts and Sciences

Dr. Hale G. Smith, director of the University Museum and head of the Department of Anthropology, filled his office with collections of artifacts from expeditions as far away as India and as close as St. Augustine. Scientific excavations for Logan Museum expedition in Mexico, an archeological investigation of El Morro in San Juan, and expeditions at Fort San Carlos, Florida, were among the studies for which he was responsible. An ethnographic study of the Spanish-Colonial period of the New World, which was centered in Tallahassee, was Dr. Smith's most recent project.

DR. HOMER A. BLACK
School of Business



Recognized both nationally and abroad, Dr. Homer A. Black was selected to spend a year teaching at the International Management Development Institute in Lausanne, Switzerland. He gained teaching experience at University of Georgia, Massachusetts Institute of Technology and Ohio University before coming to FSU in 1957, where he served as chairman of the Accounting Department. Dr. Black was the winner of the Elijah Watts Sells silver medal for the second highest score on the C.P.A. examination and spoke before many university and C.P.A. functions.

But then why are we here?

An education in life?

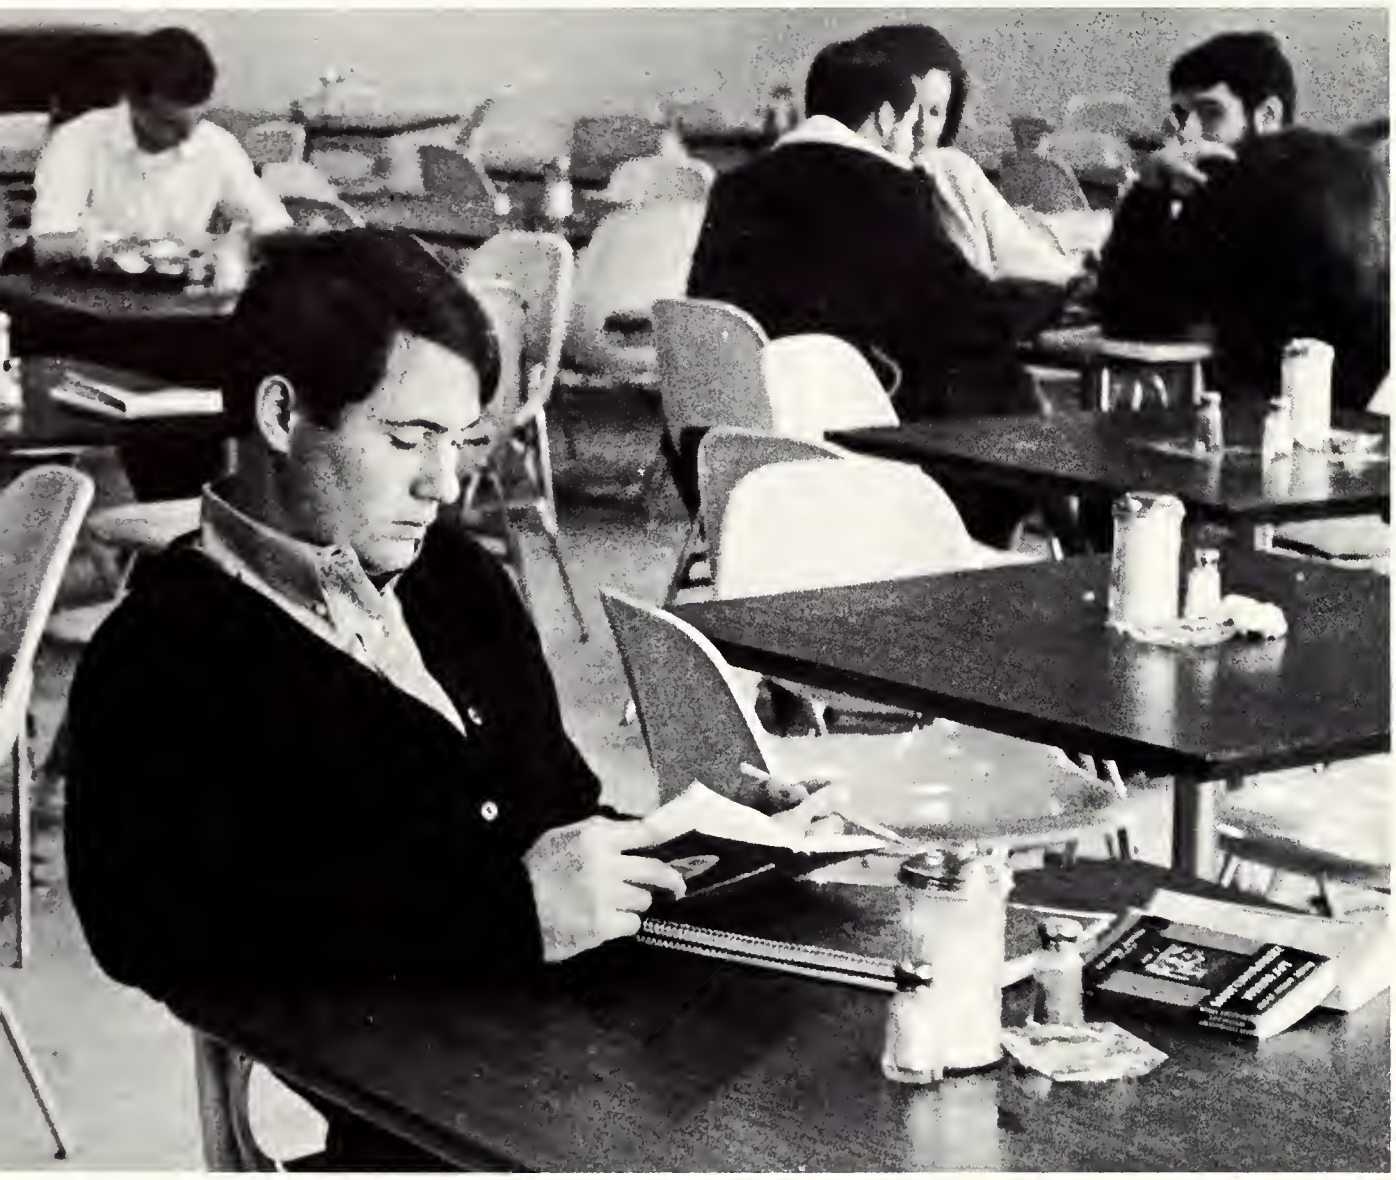
Perhaps,
but life is where you find it.
You cannot search for it within the walls of an institution.

And I wonder . . .

Why move to this stone fortress
  of big buildings and modern laboratories
Armed with heavy books
  and led by the finest professors

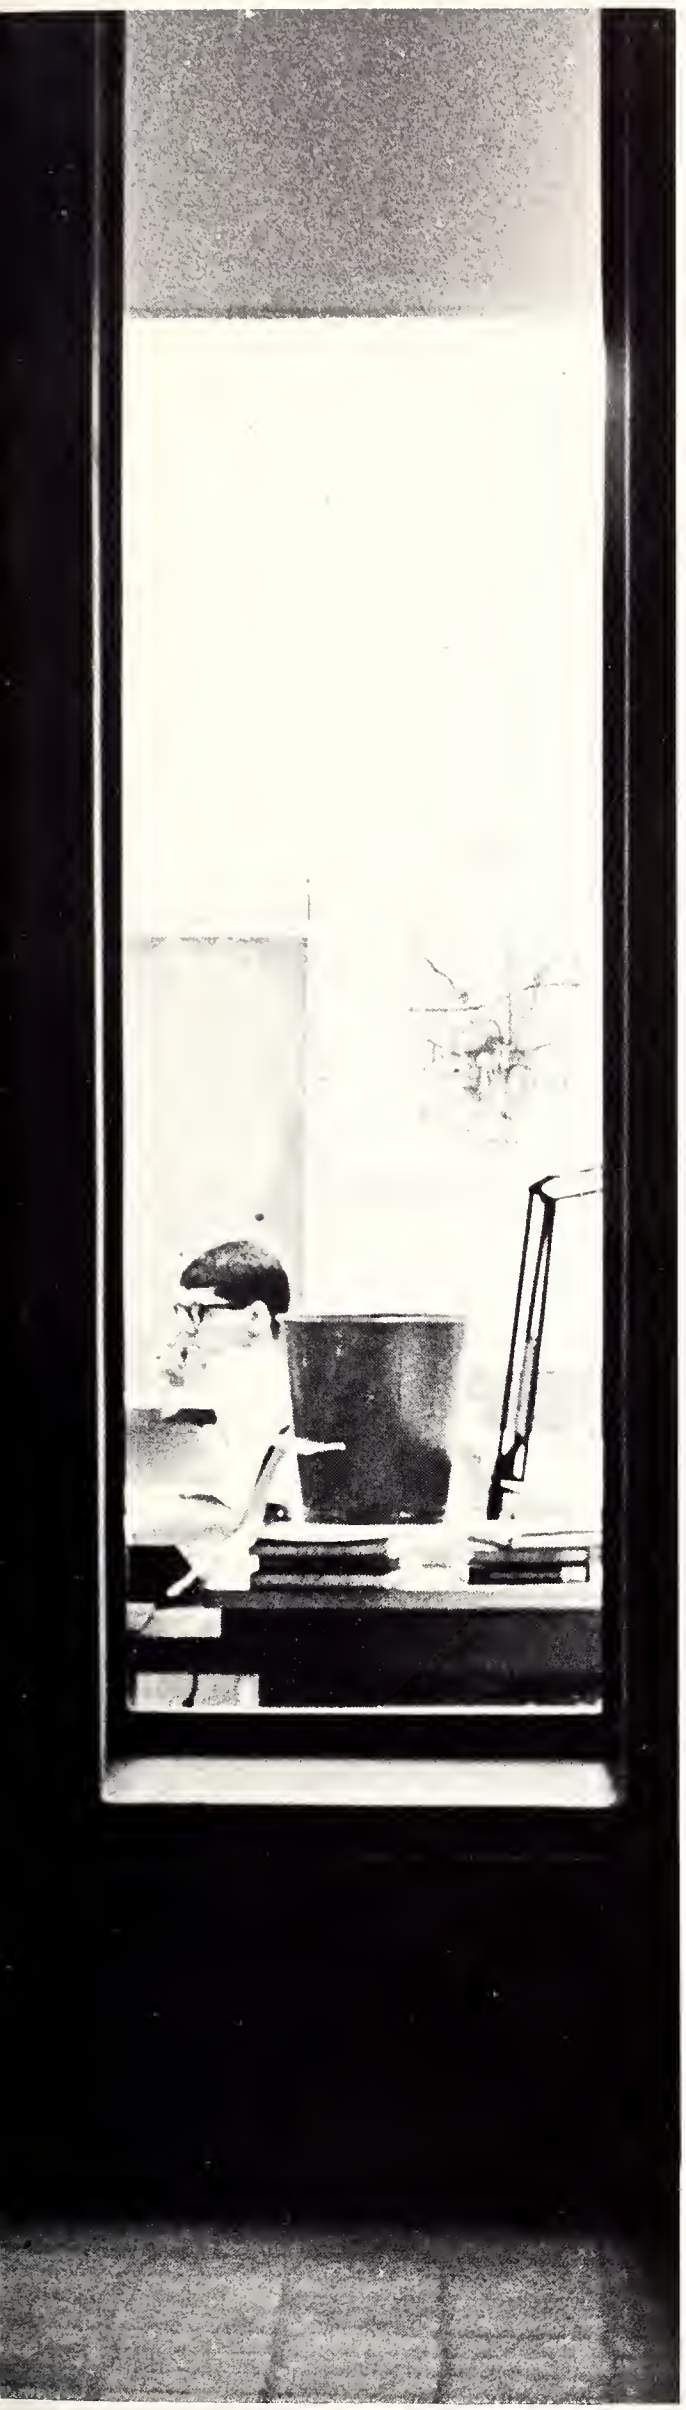
But for knowledge.

Extra hours spent studying.
More time in classes.



Yet that is what it's all about . . .

It is knowledge that makes us **great**–
A great university,
A great country,
A great universe.



And it is because we believe this
That we are here at FSU.

Sports

As Director of the Intercollegiate Athletic Progam, Vaughn Mancha brought FSU's athletics to national prominence with emphasis on scholarship programs and an improved sports schedule. Among his acievements during the eight years Mancha served in this position, were the addition of an athletic field house and lighted baseball field, and the enlarging of Campbell Stadium.

Bill Peterson, Head Football Coach, came to FSU in 1960. Practicing a pass-oriented, pro-type offense and hard-nosed, gambling defense, Coach Pete brought the Seminole team to high ranking position in both of these categories in their 1967 football season.

Dynamic Duo

Ron Sellers, a pass-grabbing wizard with the darting moves of a halfback, achieved consensus All-American status at the position of flanker back.

With 70 receptions and a total 1,228 yards, Sellers placed second in the nation, while his 17.5 yards per catch far exceeded every other pass-nabber.

Named as an All-American by AP, Football News, US Coaches, and several others, Sellers capped the season by snaring 14 passes during the Gator Bowl and being voted Sports Illustrated's top lineman of all bowl contests.

As a junior, Sellers has already snapped the FSU career record of total pass yards received, having gained 2,102 yards.

KIM HAMMOND
Quarterback

Kim Hammond, who had been considered as second best quarterback during 1966, made a shambles of the Seminole record book during 1967 and became the second place ranking quarterback for the entire nation.

Hammond's 2,074 yards of total offense fell barely short of the national yardage title, while his 58 percent pass completion record and 15 touchdown aerials erased previous Tribe marks.

Honors bestowed upon Hammond included: Second team All-American (AP and UPI), fifth in the Heisman Trophy voting, and Most Valuable Player of the 1968 Senior Bowl.

The most electric moment of Hammond's career occurred en route to the 21-15 victory over Florida. Returning from half-time unconsciousness, he immediately tossed 51- and 38-yard passes to Ron Sellers, which culminated in the winning TD.

Tribe Scores Blazing Comeback

Kim Hammond and Ron Sellers, the nation's most prolific pass-catch duo of 1967, propelled FSU to a 7-2-1 football season that culminated with the Tribe's conquest of Florida and subsequent Gator Bowl invitation. The stunning aerial pyrotechniques of Hammond-to-Sellers triggered a torrent of post-season awards. The Tribe's forthcoming successful season was not evident in its opening contest. After a dismal evening at Houston, the Tribe dynamo stunned Alabama's vaunted pass defense to gain a 37-37 tie on the power of Hammond's aerials, Sellers' 13 receptions, Walt Sumner's 75-yard TD punt return, and Larry Green's relentless running.

A 20-10 setback by NC State plunged the '67 season into apparent disaster, but the Seminoles' gritty 19-18 win in a Texas A&M downpour was sparked by Bill Moreman and forged the initial link in a seven-victory chain.

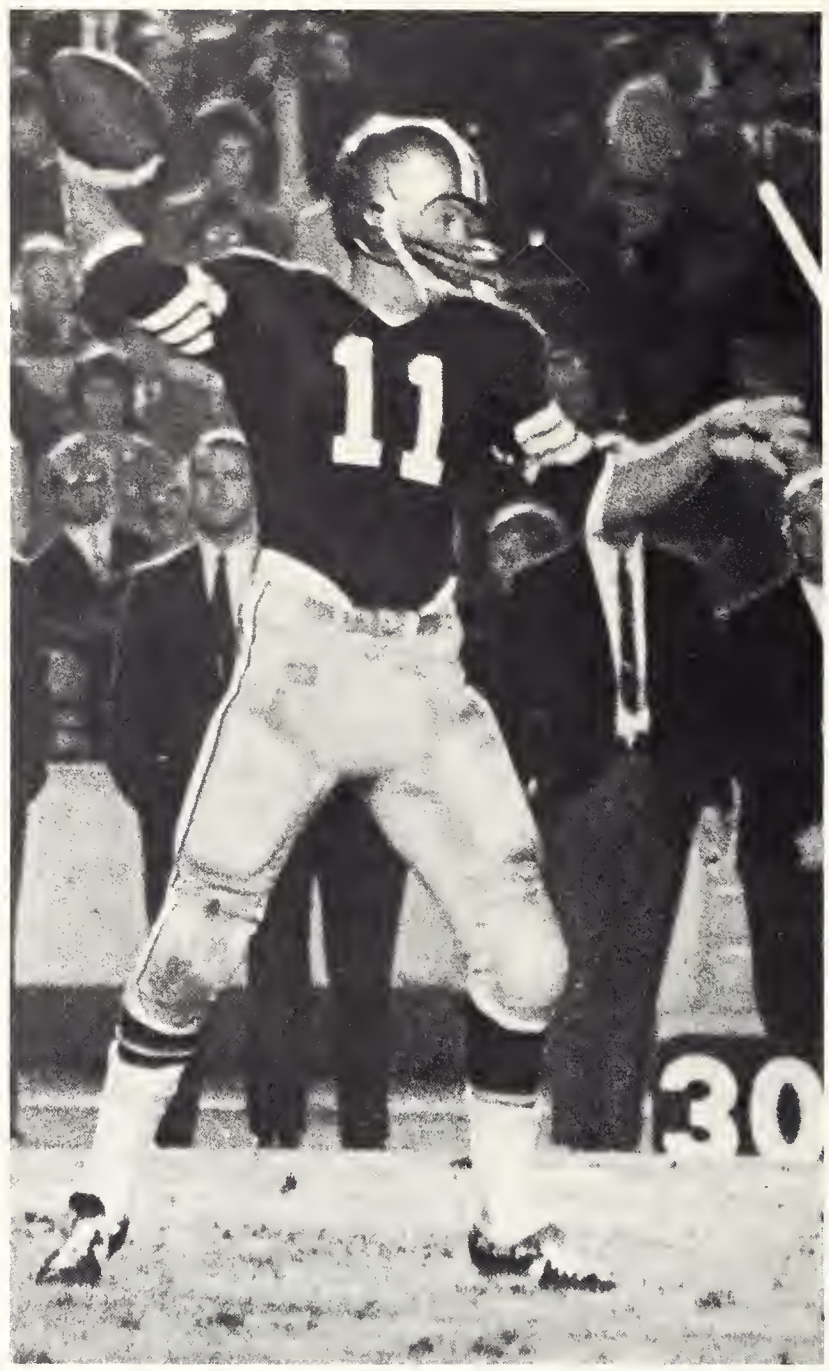
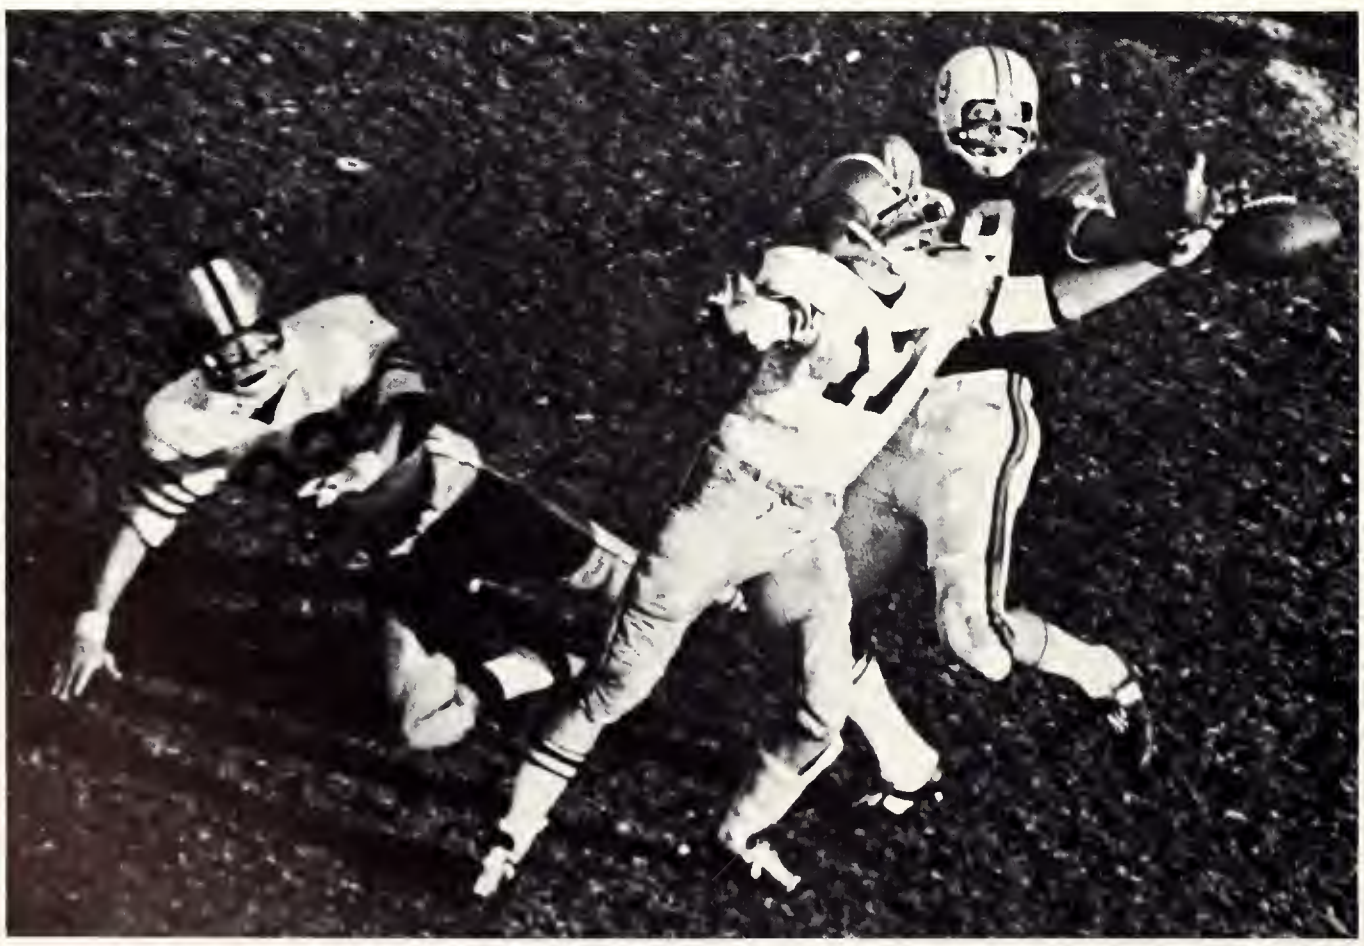
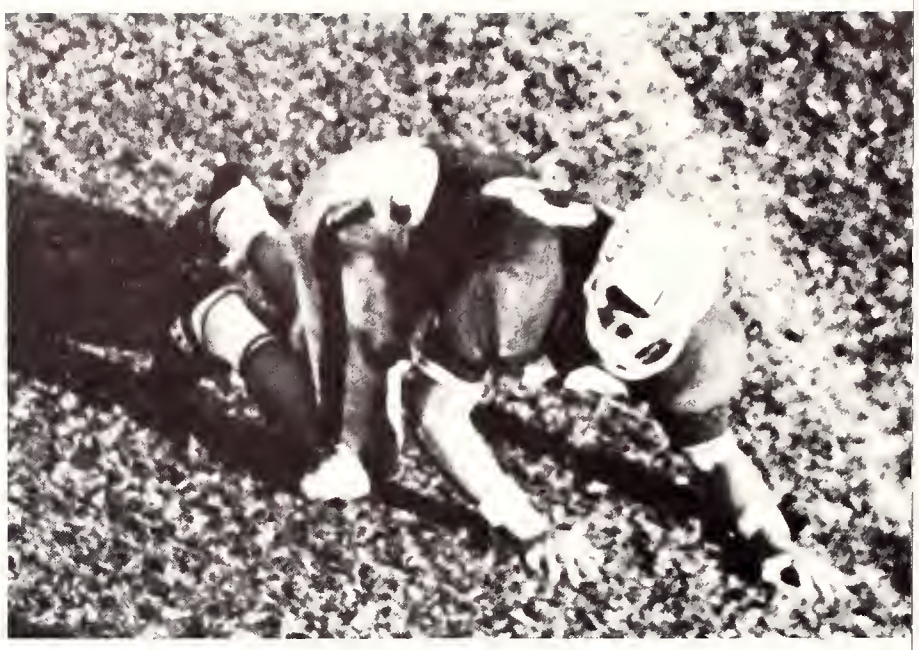
Gators Gigged Again



Bill Gunter's power running and timely defensive interceptions sparked the Tribe over South Carolina. The Homecoming win over Texas Tech and subsequent pounding of MSU set the stage for FSU's keynote triumph at Memphis State. There Green's slashing runs and the savage linebacking of Dale McCullers (AP Lineman of the Week) tamed the violent Tigers.

After 500 yards of offensive might deflated the VPI nemesis, FSU dethroned Florida, 21–16, in a bitter dramatic reprisal at Gainesville. Hammond returned from an unconscious state to detonate a 38-yard bomb which Sellers caught sensationally for the winning TD. Tribe tacklers jarred four crucial fumbles from the Gators, to insure FSU's victory.





Gator Bowl Tie Puts Tribe Fourth in

Season's Final Poll

The 1967 Gator Bowl between Florida State and Penn State turned out to be two football games. The Nittany Lions dominated first half play, while the Seminoles surged in the second installment to net a 17-17 tie.

Two scoring opportunities were muffed by the Tribe in the initial half. Three Penn State interceptions also cut off Seminole scoring drives. Meanwhile, Nittany Lion quarterback Tom Sherman kicked a 27 yard field goal, passed to split end Jack Curry for one touchdown and hit All-American tight end Ted Kwalick for another six points.

Seminole luck behind Kim Hammond and All-American flanker Ron Sellers returned in the final period as Hammond nailed Sellers for a 15 yard TD. On the following kick off Mike Blatt jarred loose the ball for a fumble and taking advantage of the break, Hammond slipped over for the payoff. Finally, with 15 seconds showing, Grant Guthrie connected from eight yards out to tie the game. Outstanding statistics accorded the Seminoles a fourth place ranking in Sports Illustrated's final football poll.

4 Wins — 2 Losses Is Harrier's Record

Coach Mike Long's Harriers finished their '68 cross country season with a record of four wins and two losses. Opening the season with a victory over the University of South Florida, the team went on to defeat Auburn, Georgia Tech, and South Florida once more in a rematch. In the Aldridge Invitational Meet, the Harriers placed second and climaxed the season by tying the University of Florida in the Florida State Championship Meet.

Florida State University's soccer squad spent the fall quarter looking for recruits, but it came back in the second quarter ready to go.

In this, its sixth year of existence, the booters, who were under the auspices of the Florida State Intramural Department, boasted an international flavor, maintaining the foreignness of the game to most Americans.

Veterans Peter Schoor at halfback and Wolfgang Preisler were the prolific scorers for the soccer team, but it also had capable backing from Raul Saenx, Alejandro Cedron, and Sonny Dawson.

Since the soccer team was not classified as a varsity sport, it was not funded by the Athletic Department, and played many of its games with service clubs and private soccer associations.

Basketball commanded a new respect on the Florida State campus during the 1967-68 campaign, with the Seminoles accumulating a 19-8 record, including an NCAA tournament invitation.

Led by sophomore Dave Cowens, who ranked among the nation's leaders with 17.0 rebounds averaged per game, and steady Jeff Hogan, who contributed 15.8 points a game, the Tribe survived a faltering start to run up the second best record in the school's history.

Eighteen school records were either tied or bettered, among them most points per game. The Tribe bucketed 130 against LSU Dec. 16.

In fact, the big score was the Seminole trademark. Nine times Florida State broke the century barrier during the season.

A further Seminole strongpoint was the bench. Coach Hugh Durham was able to make numerous substitutions with little loss of court strength.

Youth characterized the lineup of this year's team, which means that a more experienced nucleus will return for 1968-69.

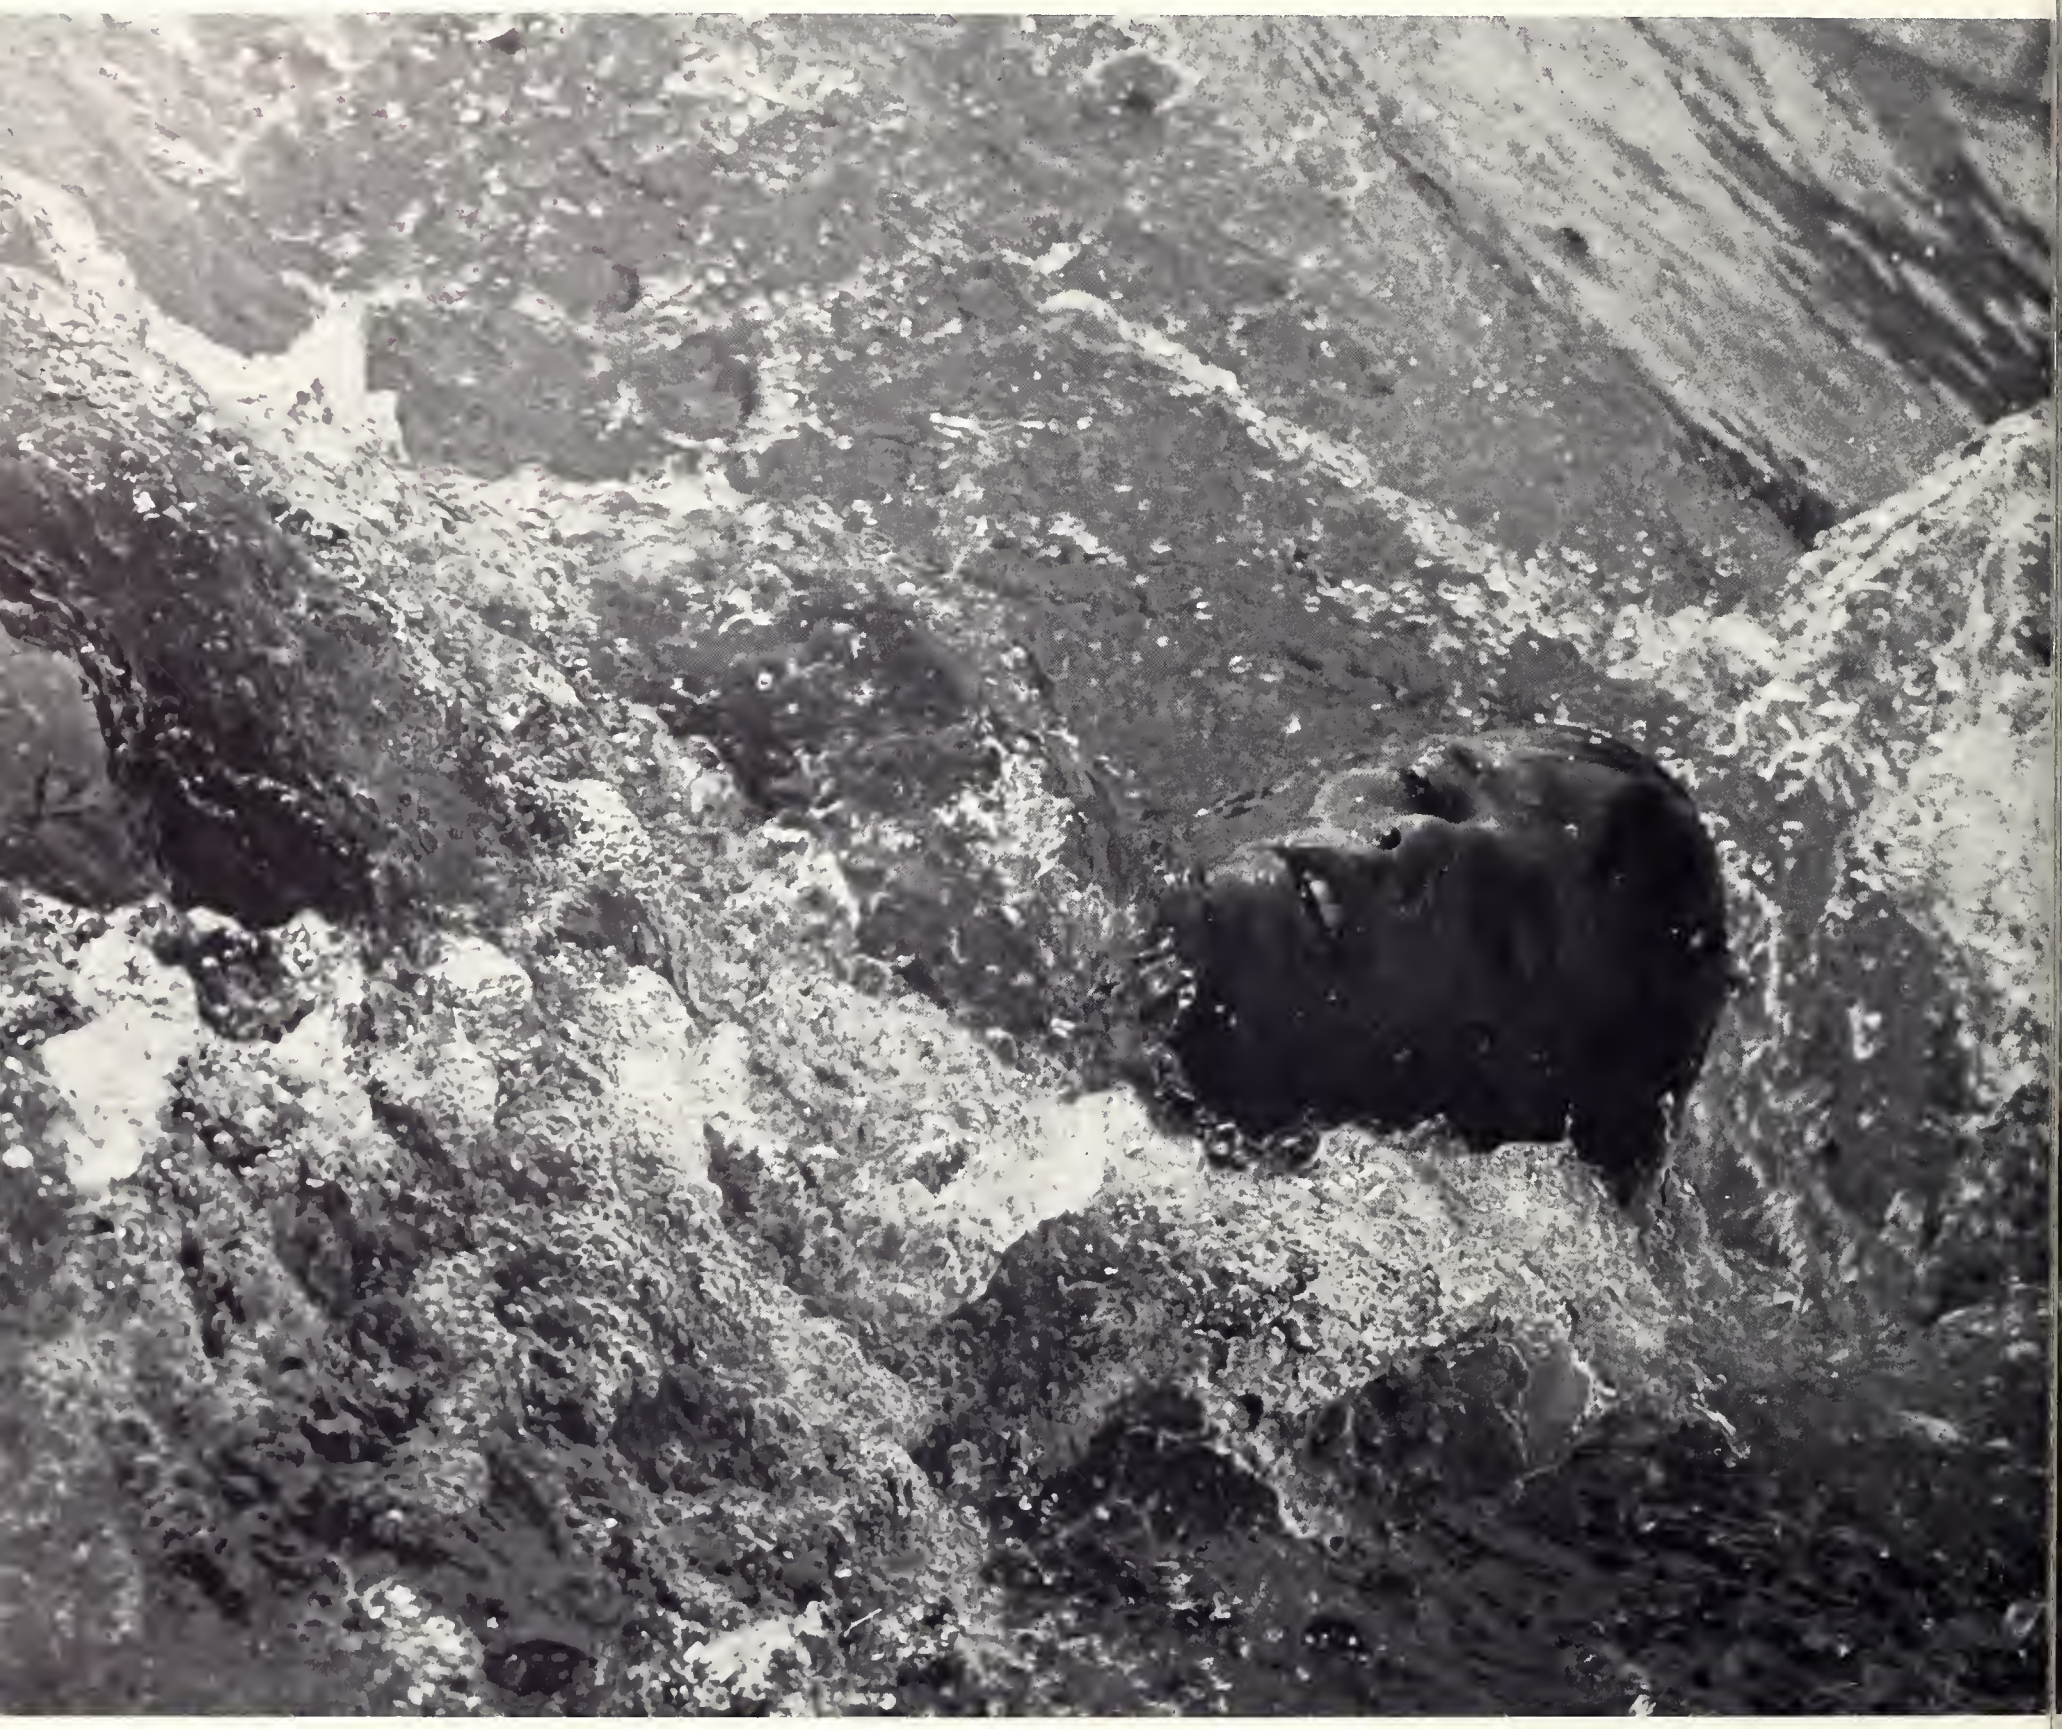
To complete the most successful basketball season since achieving big-time basketball status, Florida State was invited to the NCAA Mid-East regional cage tournament as an at-large entry.

East Tennessee State University furnished the opposition, and additionally furnished the impediment to further the Seminole advancement, as the Buccaneers bopped the Tribe 79-69.

At the Kent, Ohio battle, the Tribe was hindered from getting the ball inside to stellar big man Dave Cowens. An accompanying cold streak also contributed to Florida State's downfall. The Bucs dominated the boards and commanded the lead from almost the beginning, even though they almost succumbed to a late Seminole rally.

Florida State University Tankers Finish



with 4-4 Record

Hampered by the loss of several key swimmers, the Seminole tankers suffered through their second worst campaign since the only losing season of 1948.

It 4-4 record included an almost-win at home over the University of Florida. Going into the final relay, the Tribe maintained a slim 54-52 lead over the Gators. The race ended in a dead heat and was decided by vote of the judges in the Reptiles' favor.

Many youngsters paced the swimmers this year, but veterans such as Seeley Feldmeyer sparked an otherwise unhappy season.

Diving was again the Seminole strongpoint with a competent diving corps of Randy Steward, Carl Springfels, Howie Acosta, and Ken Von Roenn leading the way. The addition of a second diving event in official competition was an extra bonus for the usually invincible divers.

Polls Rank Florida State Nation's Best

Balance turned out to be the keyword for Florida State baseball during the 1968 season. The Seminoles were loaded with talent in hitting, pitching, and defense, and used it to catapult themselves into the number one position in the baseball polls for three consecutive ballotings. A late season faltering, however, knocked the team to an 11th place final finishing.

Nevertheless, the Tribe amassed a 21-game winning streak that lasted from March 23 to May 7. Coincidentally, the losses that preceded and ended that streak were by identical 3-2 scores.

March 27 was a record day in itself. Seminole pitchers hurled three no-hitters in one day, two by the varsity and another contributed by the B-team. Jeff Hill was on the mound for the first gem, and Lin Garrett teamed with Gene Ammann to produce the second. B-team hurler Tom Slade took over for the final whitewash job.

Coach Fred Hatfield's men ended the regular season campaign with three straight shutout wins over rival Florida before journeying to Gastonia for the District III tournament.

Three Straight UF Shutouts Avenge

Two junior college transfers were the mainsprings in Florida State's successful 35-6 season.

Catcher Tom Cook and pitcher Steve Mastin were the two standouts among a whole team of 1968 superstars. Cook, whose defensive skills have been admired by scouts, and who had been drafted three times by the majors, was ranked in the nation's top ten home run leaders. Mastin compiled an unbeaten record as a righthander.

Other stickouts for FSU included first basemen Mike Easom, whose batting average topped the .400 mark until the last series of the season. Jeff Hogan and Chuck Cone alternated at shortstop for awhile, but the consistent bats of both made it necessary for Cone to shift to centerfield. Utility infielder Jim Gurzynski made Seminole history by belting a home run later measured to be over 500 feet. Freshman pitcher Gene Ammann made his mark by helping with a no-hitter and hurling impressive ball the last part of the season.

Gastonia Jinx Again Destroys Tribe's

Hopes for US Collegiate Baseball Title

Gastonia, North Carolina, the site of the District III baseball tournament, again became the jinx for Florida State's hopes to win the national baseball title.

Favored to win the tourney, the Seminoles found themselves on the wrong end of a 13-inning, 2-1 affair with East Carolina.

Dropped to the losers' bracket, the Tribe fought back to beat Alabama, East Carolina and North Carolina State, thus putting the outcome on the line in a final game.

In a hard fought pitching duel, North Carolina State and Florida State battled to a 1-1 standoff until the ninth, when the Wolfpack pushed across three runs.

Unable to score a run with the bases loaded, in the bottom of the inning, the Seminoles' highly regarded diamond squad were forced to "wait until next year" by a 4-1 count.

Gymnasts Falter in Off-Year

After an exciting start which saw the Florida State gymnasts rout Louisiana State and Florida, the team suffered from hard times and dropped their last four decisions.

Dr. Hartley Price's gymnasts included such standouts as Pete Noftz on long horse and rings, Don Hervig, all events except trampoline, and Terry Morris, who competed in all events except trampoline and long horse.

The gymnasts also made a trip to Atlanta to compete in the Georgia Gymnastics Association series and performed in the Southern Intercollegiate Gymnastic League meet in Gainesville.

Judo Team Shines in Competition

Judo came into its own this year at FSU, entering eleven tournaments, and always bringing back one or another trophy.

Largely due to the first year coaching of fourth degree black belter John Ross, the judo clubbers counted among their highlights, winning championships in the Annual Southeastern American Invitation and the Gasparella Invitational. As a team, it came in second at the Eastern Colleges Championships.

Reggie Watterson and Steve Masterson, along with Ross, led the judo team 's first year surge.

Florida State's track team spent its time this year in more tournaments and invitationals than in dual meets, but proved that it was able competition for some of the best in the East.

From a three-first, three-seconds performance at the Tennessee Relays, where the Vols were a powerhouse on the cinders, to Mike Kelly's FSU record-breaking fifth place finish in the national hurdles competition at Berkeley, California, the thinclads had a satisfying year.

Along the way Florida State crushed Alabama and Auburn, took a first in the independent division of the Montgomery Coliseum Relays and ended up barely second to Florida in the Gulf States five-way meet.

In addition Kelly's outstanding year, the cindermen were bolstered by freshman miler Ken Misner, junior sprinter Andy Guy, and senior javelin thrower Bud Manning.

LEX WOOD
Tennis Coach

Before the 1968 tennis season, netter coach Lex Wood feared that the loss of aces Paul DeZeeuw and Stu Bruner to graduation would cast a shadow on the team's performance.

From a lineup abounding with inexperience, Wood discovered to his surprise that his material fashioned a 20-3 record, which just happened to be the greatest number of victories ever in a Seminole season.

Sophomores Herb Rapp and Scott Bristol broke into the lineup to boost the squad, and veterans Dave Danielson, Clint Murphy, Roberto Marcher, and Al Procopio also contributed to the cause.

The brother of Paul, John DeZeeuw, only a freshman, came up to grab another share of the outstanding season.

After early season losses to highly-regarded Florida and third-ranked Mississippi State, the Tribe proceeded to set the pace for the campaign, by reeling off 10 straight victories.

Miami dealt the Seminoles their third and final loss to break the string, but the netters went on to win the rest.

CARL DiCESARE
Co-Captain

Under new coach Don Veller, Florida State's golf team shot enough sub-par rounds to gain a 3-3 record and an invitation to the NCAA tournament in Las Cruces, New Mexico.

Topped only by the University of Florida, the golfers swept to second place finishes in the Florida Intercollegiate, the Cape Coral Invitational and was second in a three-way competition with the Gators and Jacksonville.

The best win of the year for the Tribe came at the Miami Coral Gables Invitational, where the linksmen played superior golf and bested even Florida, the winner of the NCAA Golf Tournament.

Hubert Green was the individual standout for the Seminoles, but he was aided by Carl DiCeasare, Jim Conace, Bobby Huber and Ron Philo.

In the NCAA tourney, the Tribe got off to a third place during the first two rounds but slipped in the final two days to end up tenth.

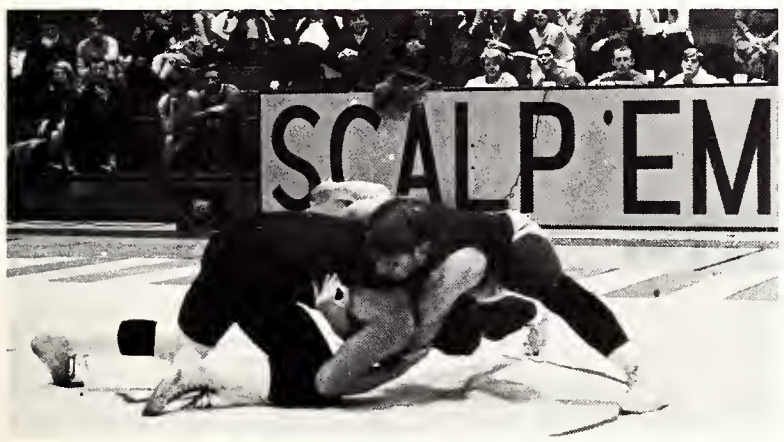
Sailors Remain Top Southeastern Team

Florida State University **sailors** continued holding the upper-hand in Southeastern competition after a problematic first quarter, which saw several hard fought regattas dropped to Tulane.

Graduation also hampered the sailing team at first, but a group of recruits came through to overcome the winter and spring terms.

Among the sailing laurels was victory in the Southeastern Team Race Championship, and a sixth place finish at the John F. Kennedy Memorial Regatta. The latter race has been in **existence** only four years, and the Seminoles have participated successfully three of those four times.

Grapplers Register 7-3 Season Mark



A strengthened Florida State wrestling team used numbers and experience to record an impressive 7-3 season mark over both in-state and out-of-state competition.

In addition to their dual meet winning record, the grapplers added further to their laurels by taking second place at the All-Florida Championships in Gainesville, behind the perenniel strongmen of Miami-Dade Junior College.

Competing in all weight catagories, the grapplers were led by Chuck Almeida, who had the longest winning streak for the team this year, Gene Opheim, Skip Pletzer, and Johnny Gales.

Perhaps the most satisfying win of the season was the February 22 mauling of Florida.

Organizations

Phi Beta Kappa

Because of its accomplishments in recognizing and encouraging high academic achievement in the arts and the sciences, Phi Beta Kappa was a noted tradition of college life. The Alpha of Florida Chapter was chartered at Florida State College for Women in 1935. It was the first such chapter in the state. Since that year, 534 students, thirty-one alumni, and seven honorary members have been initiated.

The Phi Beta Kappa Scholarship Award was granted this year to a student majoring in the arts or sciences. The organization also sponsored a visiting Scholars Program, delivered the yearly Founder's Day address, and held a banquet for the new initiates.

This year Mortar Board sponsored several service programs such as serving at the weekly English Coffee Hour, collecting scholarship money at their annual penny-a-minute night, and presenting scholarship awards to upperclassmen. During Winter Quarter, writer Mickey Spillane was a guest speaker at the Last Lecture, giving a personal account of his success.

Gold Key

Organized as a unit to further service to the University and to stimulate continued leadership among all its members, Gold Key was established at FSU in 1957. Outstanding junior and senior men who exemplified the ideals of scholarship, leadership, and service were selected twice this year for membership.

The main activity of the group this year was the Homecoming Banquet, co-sponsored by Garnet Key, at which one member of the faculty and one outstanding community citizen were recognized for honorary membership.

An advisory board to the FSU President and a project to erect a permanent symbol for the University were included in Gold Key's activities.

Originating on campus as two honoraries, Odd and Even, Garnet Key was established as one local honorary in 1947 when Florida State became coeducational. Garnet Key recognizes outstanding sophomore, junior, and senior women students for their contributions to FSU through leadership, service, and spirit. Members must also have attained at least a 2.3 scholastic average.

This year at the annual Homecoming Banquet the organization recognized as honorary member Mrs. Katherine Hoffman, Dean of Women. Besides Homecoming, members also helped in planning Circus Weekend.

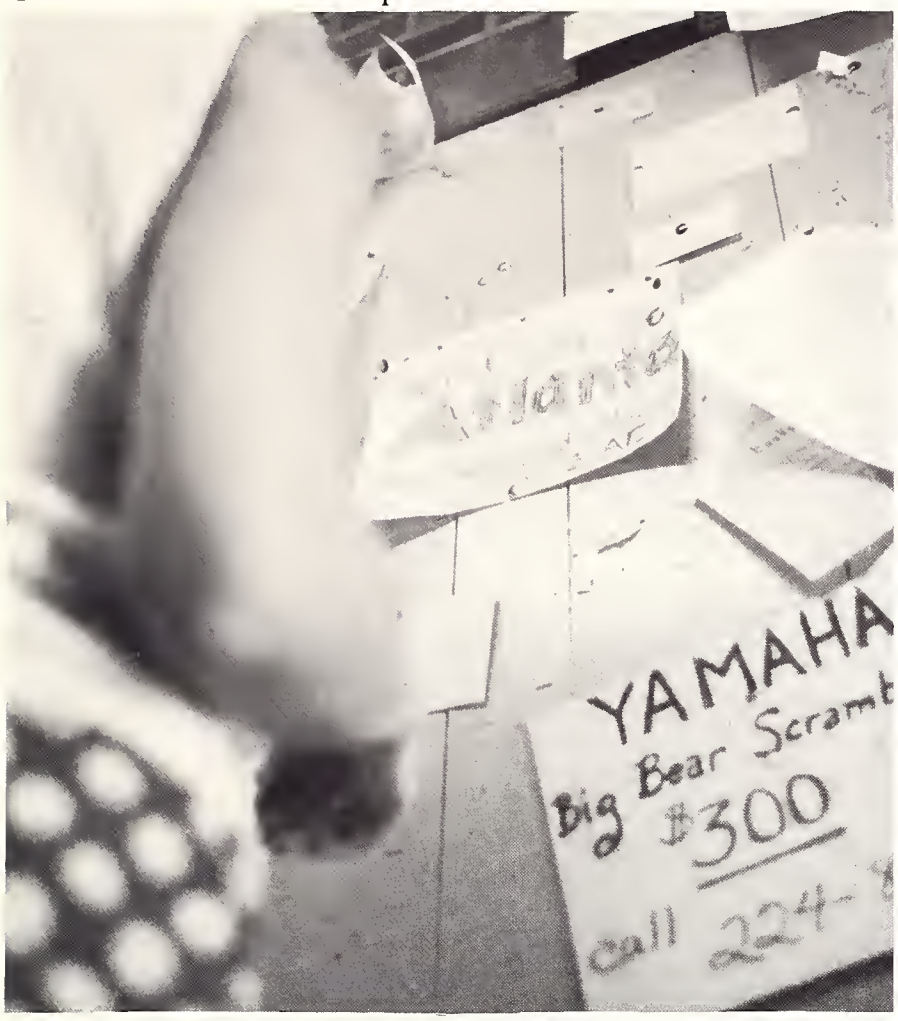
The APO Travel Bureau helps FSU students when rides are needed .



One of the top ten chapters in the nation, the Iota Rho Chapter of Alpha Phi Omega offered services to the campus and community. In the fall, APO members compiled a directory of the student body, and continued their service with White Christmas, an annual project in which food and toys were collected and distributed to underpriviledged families in the Tallahassee area.

By sponsoring the Charity Bowl football game between the Greeks and Independents, and continuing their traditional beating of the Seminole drum during homecoming, APO promoted school spirit among the students at FSU.

Other major projects this year included the Travel Bureau, helping students find transportation home on weekends, and the Ugly Man Contest, raising money for scholarships.

Circle K International, founded at Cartherage College, Illinois in 1949, has grown to include over 750 international organizations, with 35 in Florida alone. As a service club to campus and community, the FSU chapter worked with the Booster Ribbons Sales, campus beatification, Kiwanis lightbulb sale for retarded children, and sponsored a 'Tom Sawyer' day Sunland Hospital for retarded children.

As a campus project, Circle K presented basketballs with signatures from the student body to seniors on the varsity basketball team.

Circle K also placed first in Newsletter for 1967 and overall first at the Florida District Training Conference in Tampa, Florida.

Working with the mentally retarded at Sunland Training Center carried their national philanthropic project to local attention. Other projects included selling Easter Seals, doing volunteer work at the health center, baby-sitting for faculty and married students, and working at election polls. Further recognition was bestowed upon the FSU chapter as they were chosen to host the National Convention here in 1969. The presidents for this year were Ellen Barker and Sandy Barrett.

Other service projects included an Auld Lang Syne tea, staffing voting polls, stuffing envelopes, and typing for Student Government.

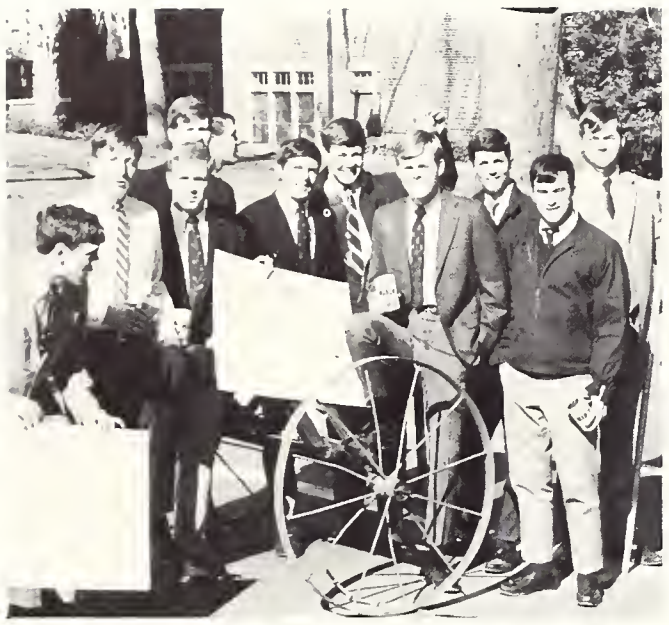
A name in the file of numbers,
letters on a jersey,
a sense of pride and belonging.
An opportunity for involvement
like you've never known before.

You sacrifice studies for meetings,
sleep for projects and events
and,
perhaps,
even a little of yourself
for a greater whole.



Rush is only the beginning
of that special brotherhood
where friendships are more meaningful
than the ordinary kind.
You learn to take others into account
yet never lose sight of yourself—
the individual.

**Your loyalties expand to include
the partners with whom you work and play,
the mystic tie you cherish,
the college you call your Alma Mater.**

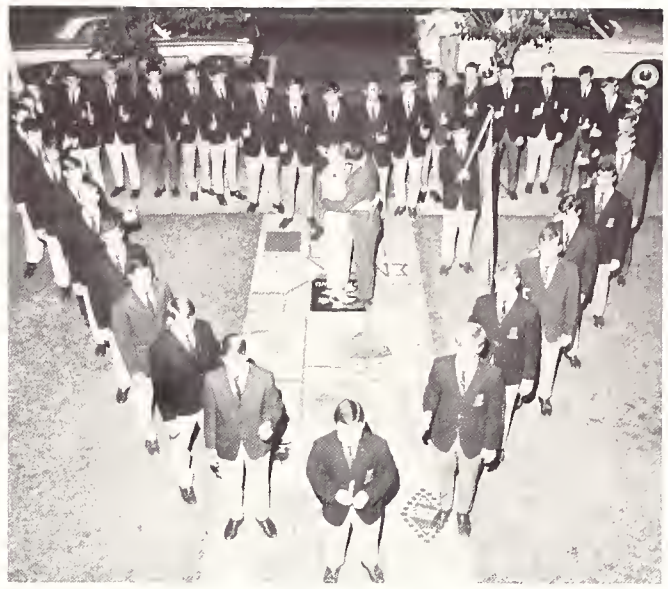
Relationships are sometimes lasting,
sometimes transient.



There's the pride you feel when your little brother
is honored,
The special glow you share when your sister
falls in love.
A fuller you–
a larger horizon of experiences.

A Greek may be a beauty,
a swinger,
a leader,
or just another contestant seeking
his role in this role

But more than that
he is one who has found the involvement and caring
that comes through responsibility
to something more than yourself.

That spirit within,
blinding and charged with enthusiasm,
Exemplifies the Greek man and woman at FSU.

Registration Activities Night Launch New Year

Late in September the mass migration to Tallahassee began. Registration was hectic under the new quarter system as students plowed through mobs and grabbed for class cards.

Activities Night at the University Union introduced students to campus organizations with exhibits and talks. The Night Crawlers provided the music for a dance held in the ballroom after the displays were presented.

Agility and Poise Combine

in 19th Gymkana

"Tropicana", the 19th annual presentation of Gymkana, thrilled its spectators with acts of daring and precision. Gymkana's performers, members of the internationally famous Gymnastic Team, the nationally famous Tallahassee Tumbling Tots, and beautiful, talented coeds were dedicated to the training of both mind and body to function together in creating agility and poise. Among the acts featured were vaulting, flying rings, ladder acts, parallel bars, tumbling, and free exercise.

Gymkana Beauties Reign in Tropicana

To choose Gymkana's royalty, several hundred girls were first judged on beauty, poise, and charm. From these, 20 were selected as members of a court of honor. Each girl was then judged on her contributions to the Gymkana Show, and on the creativity showed in designing a costume which carried out the tropical theme. The five runners-up and Miss Gymkana for 1967, Sheila Sharkey, were announced at the final performance Saturday night, November 1.

Miss Shelia Sharkey, 1967 Miss Gymkana, is crowned by Miss Patricia Whitman, Miss Gymkana of 1966.

GYMKANA COURT: Front row: Dona Fuini, Carolyn Chalk, Carolyn Cooper, Marion Hall, Debba Dulin, Marsha Wright, Margarethe Abbott, Jann Berry; Second row: Ingrid Erickson, Dale Duke, Cappy Capps, Linda Naimo, Carol Besserer, Leslie Pardue; Third row: Liz Girard, Janis Portal, Sheila Sharkey, Gale Waldon, Kay Branding, Karen Peterson, Nancy Santa Cruz, Cissy Atkins.

Homecoming '67

Homecoming 1967—a week of hard work, a weekend of excitement. Early Friday morning saw the finishing touches being added to house decorations all over campus. Sorority and fraternity houses joined together to build the brilliant, colorful floats for the Friday afternoon parade. A warm and sunny weekend drew an even larger crowd than was expected. Governor Kirk and Miss Paulette Gergen were spotlighted at the Pow Wow while the 1967 Seminoles saw limelight Saturday afternoon. The Tribe saluted returning alumni with a 28-12 win over Texas Tech. The entire weekend painted "A Portrait of Progress" for FSU.

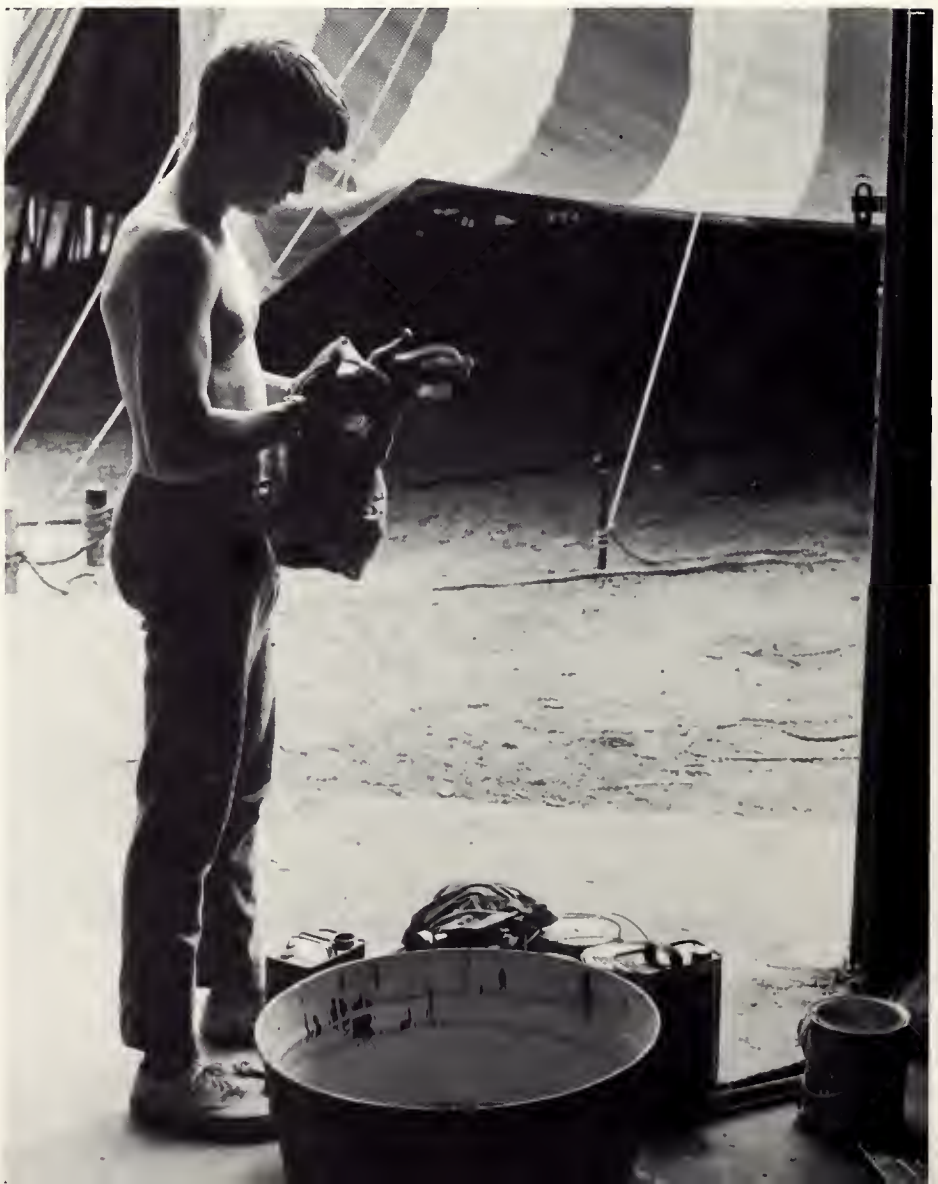
Activities Promote Christmas Spirit

Final exams?. . . Bah humbug! Even the rush of quarter closing didn't hinder Christmas spirits on the FSU campus. In the University Union, season's decorations promoted the holiday atmosphere with lights and tinsel as the Madrigal Dinners added an air of tradition to the Christmas cheer. Flaming plum pudding, roast duck, and singing minstrels brought English custom to this annual presentation of the School of Hotel and Restaurant Management and the School of Music.

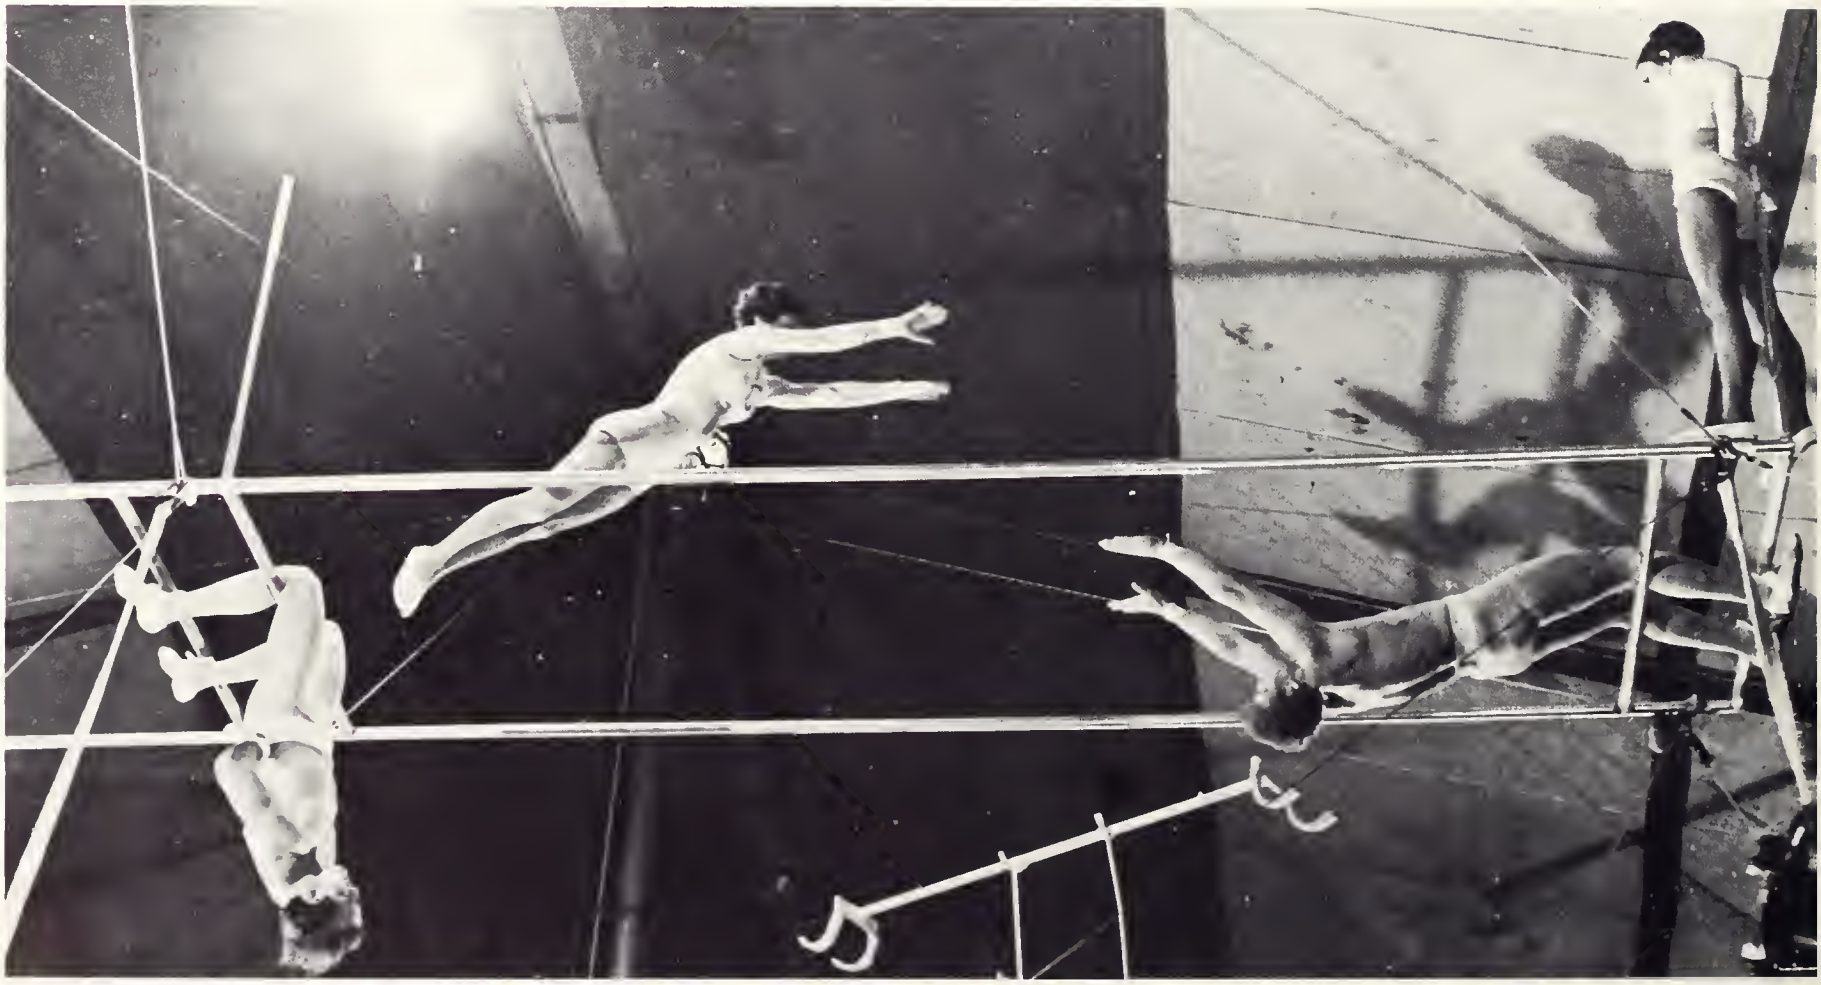
Caroling at the president's home, "secret pixie" visits, and tree-trimming parties in the dorms were among the campus activities. Another side of Christmas was displayed as many organizations held parties for underprivileged children. Alpha Phi Omega fraternity sponsored its annual White Christmas program on Landis Green.

Long Hours for Circus Preparation

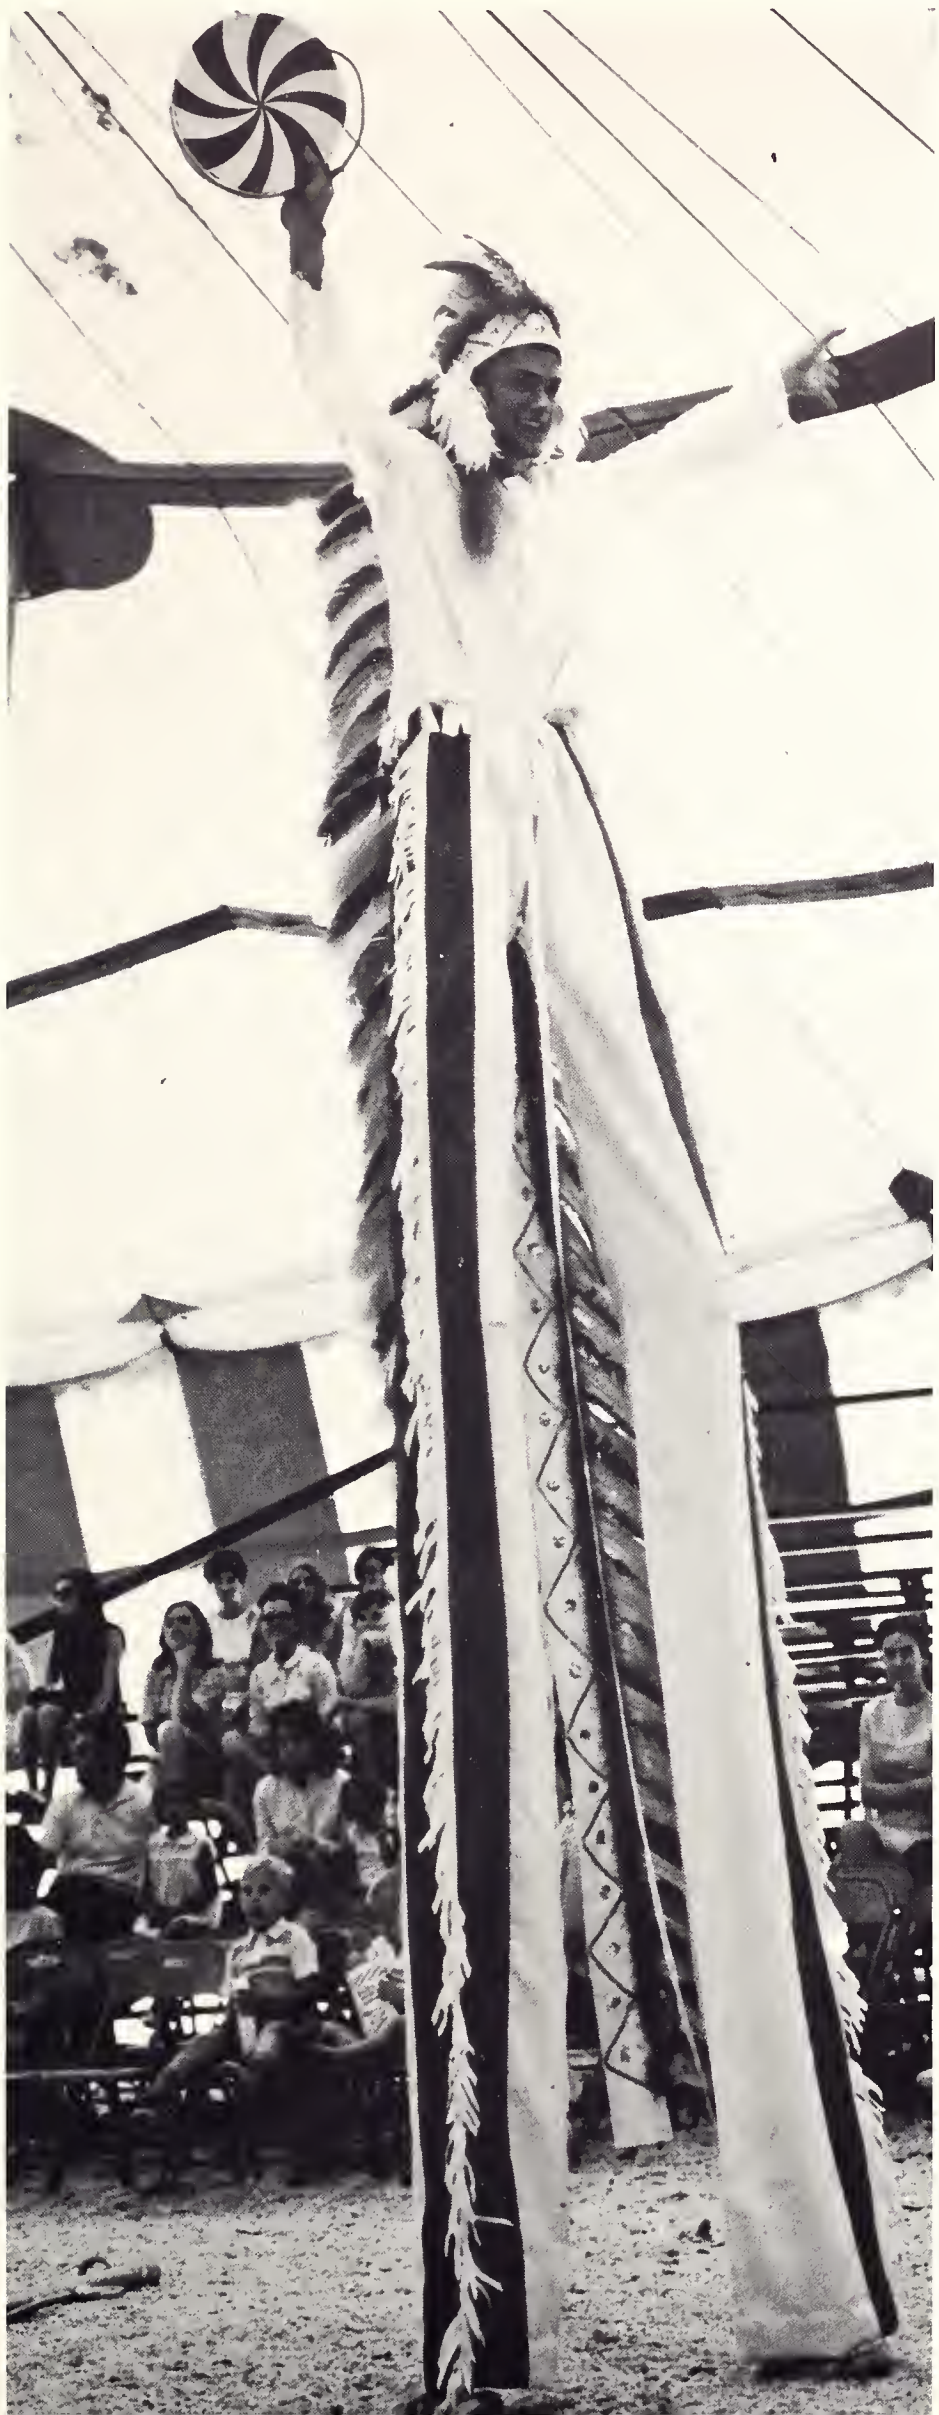
Sun-lit autumn afternoons marked the beginning of another year of active preparation for the spring Home Show of FSU's "Flying High" Circus. Students in this unique organization put in their energy and time throughout the winter learning all aspects of circus life. Directed by Coach Adrian Catarzi, each participant discovered how to rig and work an act skillfully. Dedicated practice brought the thrill of joining the troupe for weekend Road Shows and the job of loading the van! But whether it was helping carry a twelve foot metal quarterpole (even the girls) or hanging suspended to put up the Big Top lights, these performers enjoyed doing their part to make the home event a "show to remember."



Flying High Circus Celebrates 21st Year



with Suspense-filled Spring Performance



With a soft murmur, the crowd grew silent as the lively tune "There's No Business Like Show Business" announced the beginning of the 21st annual home show of the Florida State Flying High Circus. Within this atmosphere of gaity, suspense mounted as students performed acts with breathtaking ease that are often reserved for the professionals. And this suspense was not broken until the "first person in the world to step across the high wire on stilts" completed his final step. Only then did the audience settle back to follow the glittering pink-costumed girls high above on cloud swings, and laugh at the mini-skirted antics of the "nurse" in the clown act.

Unnoticed, perhaps, was the furious pace of the riggers as they wired a ring in the dark, or the pleased look on Coach Adrian Catarzi's face after calling the beat for a successful "double" on the flying trapeze. Yet these, too formed part of the show in a collegiate circus which has gained world-wide fame for its excellence.

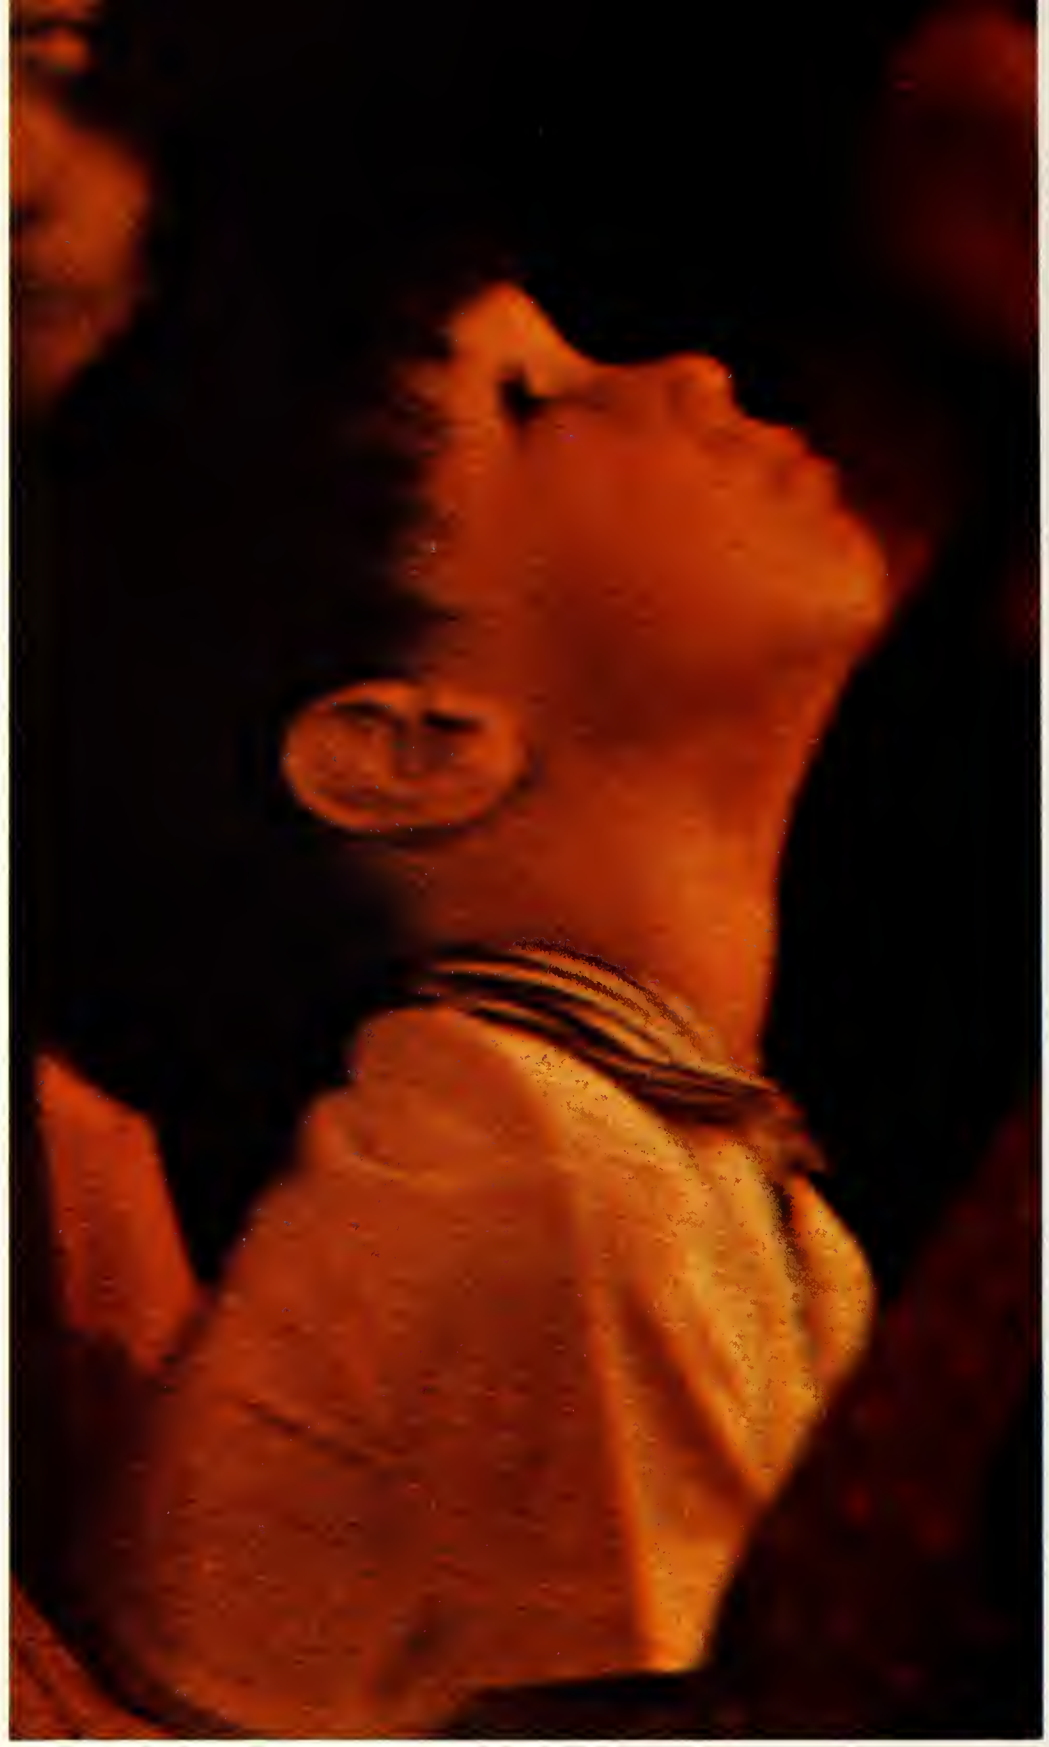
THE GREASEPAINT



Evening of Dance

"Sgt. Pepper's Lonely Hearts' Club Band" came to life on Westcott stage through psychedelic lighting and choreographic gyrations as FSU's Theatre Dance Group presented its annual formal concert on February 9 and 10. The production was entitled "An Evening of Dance" and added dimensions reflected the changes taking place in dance throughout the world today. An art of expression through movement, the choreography for "An Evening of Dance" was under the direction of Dr. Nancy Smith.

Military Ball

Red, white, and blue streamers and flags decorated the University Union Ballroom February 3, for the 1968 Military Ball. An annual occasion, this formal dance was jointly sponsored by the Army and Air ROTC. Girls from Angel Flight and La Petite Corps were nominated as contestants for the title of Military Ball Queen and the evening was climaxed with the crowning of Miss Margaret Hampton, a member of Angel Flight and cadets' choice for queen for 1968.

Spring

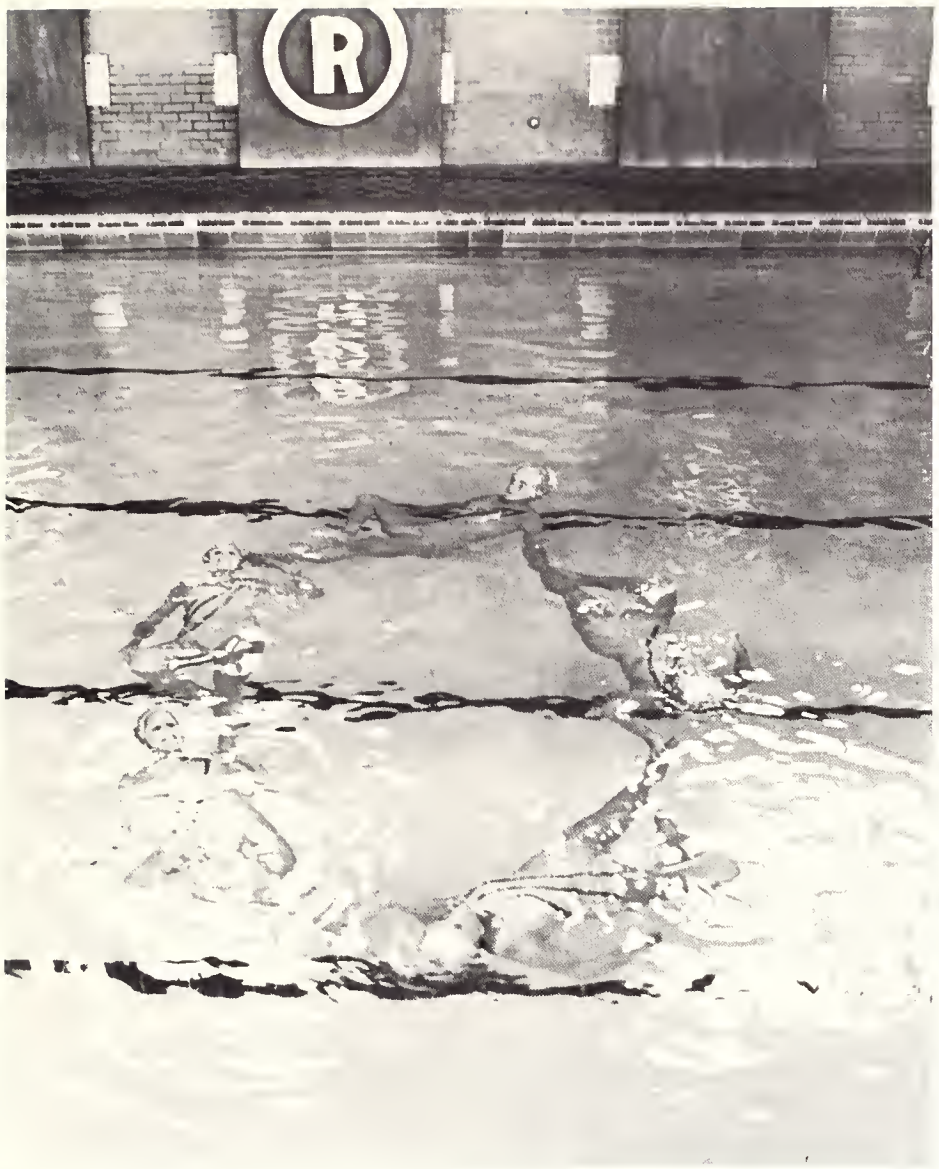
Spring is a time to be still—to stop a moment—to look around and see beautiful things in the world.

Spring is a time for new beginnings. A time when green buds appear and a young puppy begins the adventure of life.

When Spring arrived at Florida State, a wonderful and different feeling came over the students. Life took on a new freshness—experienced in a fun-filled weekend at the coast or just in the quiet assurance of being with one you loved.

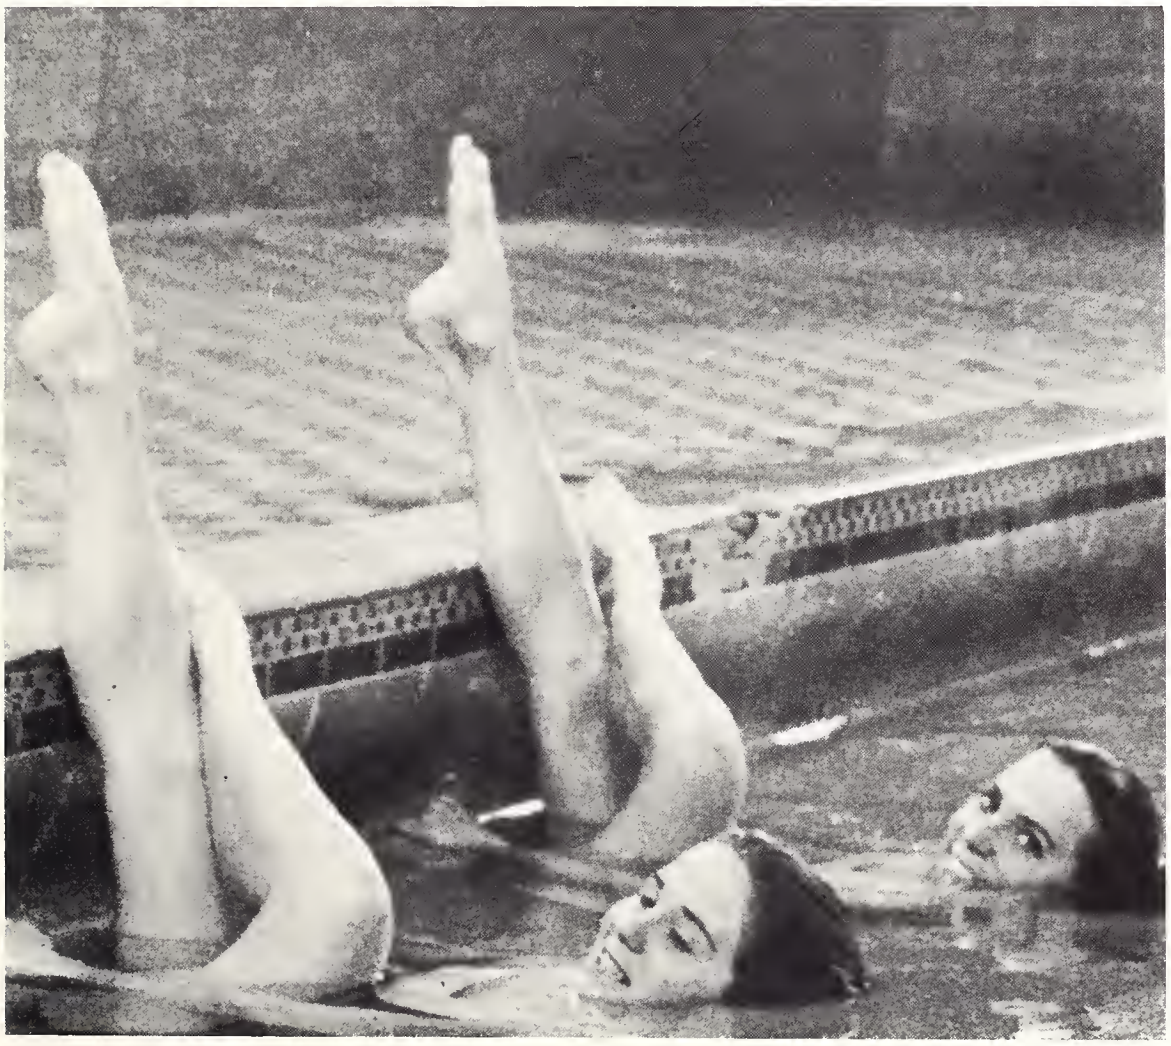
Campus Sing

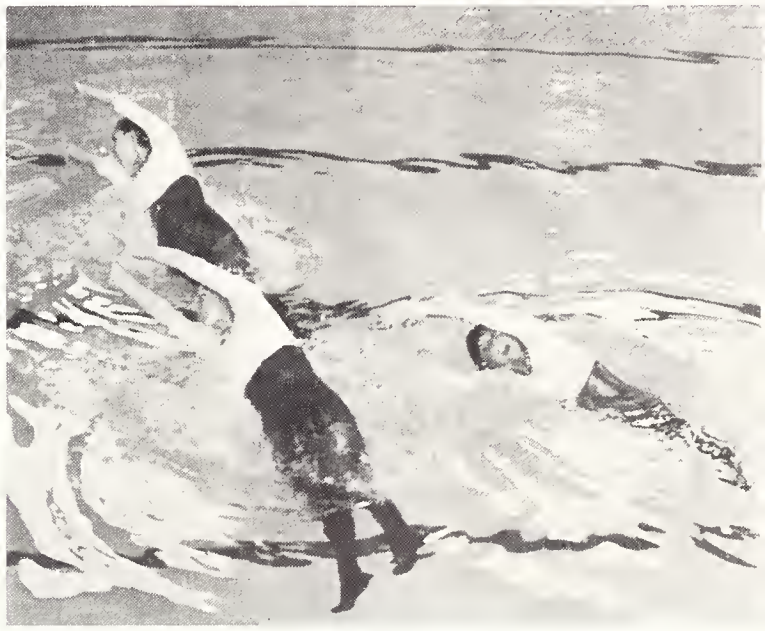
Campus Sing, sponsored annually by Phi Mu Alpha and Sigma Alpha Iota, was preceeded by many song practices and last minute rehearsals. These two music honoraries presented an enjoyable program in which sororities, fraternities, dormitories, and off-campus organizations competed. These groups were judged on stage presence, voice tone, and musical selection. First place in the sorority division went to Sigma Sigma Sigma, with Delta Zeta and Kappa Kappa Gamma placing second and third. Pi Kappa Phi won first place in the men's division, followed by Kellum Hall and Phi Kappa Tau. In the mixed group division, Pi Kappa Alpha and Sigma Kappa took top honors by winning over Kappa Sigma and Alpha Chi Omega. Bryan Hall won first place in the women's residence hall division, with Dorman and Reynolds winning second and third place honors.



Tarpon

"Chronometrics," this year's annual performance by the Tarpon Club, involved a study of time. Numbers choreographed by members of the club ranged from the light mood of "Keystone Kops" to the serious tones of "The Ever Rising Storm." With costumes and lights, the natural beauty of sunlight reflected in water was portrayed in the final number, "Dawn Thru Dusk."





Student Government Elections

As the election scene began to take shape at Florida State in the fall and again in the spring, bulletin boards went up and posters, signs, buttons of all shapes and sizes were displayed. Two new parties, the Undergraduate and Neo-Immolationist, emerged to vie with the Action Party for Student Government positions. Members of the Association of Women Students were elected for the first time to deal with women's regulations.

Summer

The sun shone brightly, and the students quickly scattered to the pool or the coast. Yes, summer was the season for swimming and soaking up sun.

Summer was a busy time—the days did not seem long enough for all the exciting plans. Picnics, coast parties, and the fun things seemed much more important than classes or school books. Yet, somehow everyone managed to squeeze in a little biology or English literature. College was still college, but it was much more fun in the summer.

Students Voice Views on Administrative

Policy with Campus-Rocking Crusade

"For once Florida State has a Student Body!" With these words, recently elected Student Body President Lyman Fletcher summed up the censorship controversy that hit the campus in May. The dispute arose when the story "Pig Knife" in the student literary magazine was censored by the administration. The condemnation of the story was followed by peaceful student-faculty protests and a 24-hour vigil on Westcott lawn. Lyman Fletcher, Laurel Akers, LEGEND Editor, and Canter Brown, leader of the Grassroots movement, were the main spokesmen of the crusade against censorship. Larry Gonzales, a former Student Body President, organized a rally on Landis Green in support of President Champion, who had resigned. As the frequency of rallies increased, and Student Government began to participate, most of the Student Body gradually became involved in the controversy in some way. For no matter which side of the dispute a student was on, he was voicing his opinions and showing that he cared about the future of FSU.

Graduation

Commencement cermonies at the end of every quarter bestowed upon those candidates the degree which each of them had earned in his work here at Florida State. Into each B.A. or B.S. degree went learning, research, and adjusting to new situations. As the symbolic changing of the tassels occurred, each student took the name of the Graduate, and went forward from Doak Campbell Stadium to face the opportunities and responsibilities of an exciting new world. Over 4,000 degrees, including 139 doctorates, were awarded during the 1967-68 academic year.

Miss Tally Ho Contest

Lots of applications and a series of interviews began the 1968 Miss Tally Ho Contest. Dorms and sororities all over campus sponsored girls to compete in this annual event. Semi-finalists were chosen after the interviews, and the next night they appeared on stage at the Union. Men from the Jaycees judged the contestants on their beauty, poise, and grooming. While the judges were conferring and points were being tallied, the audience and contestants were entertained by the Zeta Pickers, the Xi Strings and the Kappa Krew. The winners were announced; Misses Pat Stringer, Linda Fonts, Sandra Paquin and Karen Petersen were named to the 1968 Court and Miss Jeanie Douglas was crowned as Miss Tally Ho.

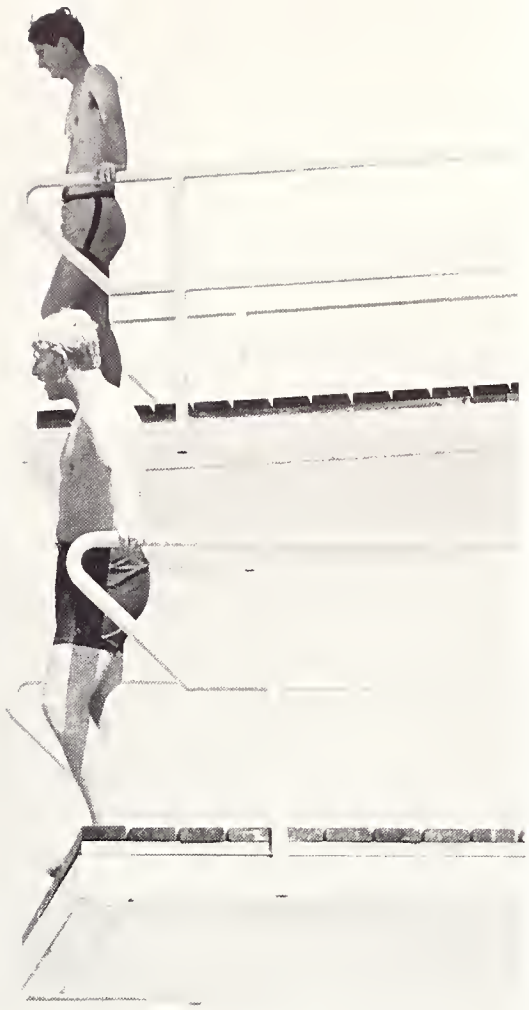
High rank, knowledge, and renown
friendship, pleasure and possessions
everything is nought but wind, vapor
to say it better,
everything is nothing

—Paul Pelisson



SURF'S UP!

No time of life is so beautiful
as the early days of love
when with every meeting,
every glance,
one fetches something new home
to rejoice over

–Soren Kierkegaard

Time it was
and what a time it was
It was. . .
a time of innocence
a time of confidences

—Paul Simon

Epilogue

Florida State University has changed immensely in the past few years. Along with the opportunities which students have recently been given to study in such places as Italy, Spain, Mexico, Japan, and South American, and to travel throughout the world under FSU-sponsored programs, the university itself has undergone a renaissance.

In the past, Florida State has been a politically-controlled institution. During the year 1967-68, however, the students and faculty rose up to protest, demanding their rights of freedom of expression. In what was perhaps one of the most unique demonstrations ever held anywhere, students and faculty kept a 24-hour vigil for over a week on the lawn in front of the Administration Building, protesting censorship by the university's administrative officials. As a result, FSU has grown closer toward developing a healthy intellectual atmosphere with an orientation toward academic freedom. Hopefully, this trend will continue.

The university community has begun to grow up. In the past, students returning from studies in foreign countries could sense isolationism and apathy throughout all the sectors of the university. This year, the students and faculty have realized that a world exists outside of Tallahassee, and the administration has realized that students and faculty are forces which cannot be ignored.

The TALLY HO has attempted to record the ideas and events of the past year into a memorable perspective. A yearbook is designed for the enjoyment of the student both now and in the future. It is not enough for a yearbook just to be a record of the events of the year. It must be interesting and, if possible, exciting to the student the first time he looks at it or he may never want to look at it again. We became quite bold with the 1968 TALLY HO. We have tried to construct a book that will not be boring to look at or to read. This has been done by shortening certain sections, lengthening others, reducing the amount of copy, and utilizing as many unique photographic techniques as possible.

We based our theme upon FSU foreign study programs, and the recent renaissance at the university itself of academic freedom and greater interest in intellectual expression. These two considerations are compatible in that FSU students have proven they will never again let this campus be the limited boundaries of their world.

Our photographers are due a huge vote of thanks for their enthuasiam, hard work, interest, and most of all talent. My Assistant Editor, Karen Starr, has proven herself to be perhaps the most valuable asset any yearbook editor could have, even when she has seemed to lose her sanity. Her capabilities are innumerable, and I cannot begin to thank her enough.

I also wish to express a sincere thank you to Cyndee and Diane, who have to go through this again next year; to June, who has more patience than anyone I have ever met; to Dennis, for tolerating our nonsense; to Barbara Paterson and the Board of Student Publications, for giving us money when we begged for more color; to Kathy, for letting us rob the FLAMBEAU picture files; to the Publications Lab, for their kind understanding when we piled half a yearbook on them only a few weeks before the printer's deadline; and most of all to the rest of the TALLY HO staff, who so willingly gave of their time and did such a tremendous job.

Special acknowledgements are due to Mozart Garcia da Silva who designed the cover; to John Moses and Mr. Earl Turner who made it possible to computerize the index; and to Louisa Hinely, Rado Pribic, Dr. George Lensen, FSU Information Services, and Mark Farina, who provided pictures, mainly of the foreign programs, which we were unable to take ourselves.
